### *Pyramids as Pyramid Storm Shields Shelter (PSSS)*

Earlier mass public disclosure could have saved so many lives and such immense property loss from 2012 hurricane SANDY and the mighty destructive, deadly May 2013 OKLAHOMA tornado in Moore, Oklahoma, USA just a mere two days prior from me scribing this!

Just think of the billions of dollars lost from property destroyed including human lives lost from hurricane Sandy in New York or the recent Moore Oklahoma, USA tornado that smashed thousands of homes to bits and killed a tally of more than 25 people already at this date, May 21, 2013.

WHEN, thinking ahead, a 44-meter (about 150 feet tall) healing pyramid energy structure could have acted as PSSS storm shield and kept hurricane Sandy from getting within 200 miles of New York City or the Moore, Oklahoma, tornado getting within a 200-mile radius of that town. Made from PVC pipe and without “wall covers” it would cost

perhaps a few hundred thousand dollars and erected in a matter of months. Certainly, it would cut the time and cost down immensely from the five years and million dollars spent to build the 44-meter high pyramid structure to a fifth or a tenth of that cost to erect huge pyramids for good local or worldwide weather protection from bad storms, cyclones, hurricanes, typhoons, earthquakes, etc.

.....

### *Free Healing Pyramid Energy*

“Armed with this (healing pyramid energy) knowledge we can heal the earth. It's as if life itself has a yet undiscovered energy field that supports its own existence and it emanated directly from the earth—where it is then harnessed through unique pyramid structures.

“Radiation can quickly be reduced, ozone holes closed up, earthquakes and severe weather reduced or even eliminated, water purified, crops improved, illness and disease dramatically lessened; buildings made far stronger and safer and even crime, terrorism and mental illness greatly reduced—if not wiped out entirely. All these things we consider to be separate problems, well beyond the capacity of one person to manage, can now be seen as a part of the International Whole.”

# **FREE ENERGY**

Is “perpetual” FREE ENERGY, a real no-cost continual day and night FREE flow of healing PYRAMID energy, actually possible?

It certainly, emphatically, is so!

Most readers of this disclosure booklet will be absolutely astounded at finding out that top scientists in Russia started more than two decades ago doing serious scientifically tested and documented pyramid research and development. They based their work on Dr. Patrick Flanagan's best selling book, *Pyramid Power*, which disclosed to the world how to use pyramids in the early 1970s. The Russian scientists did indeed unveil a host of astounding, powerful and naturally beneficial healing energies and fields within and around various heights and differently angled pyramid structures that serve new and already known major Earth-changing purposes.

Now in 2013, more than 50 huge pyramids are “at work” in both Russia and the Ukraine. One of them built beside a beautiful lake in either Ukraine or Russia is 33 meters high thus nearly 150 feet tall.

***NOTE THIS:***

Twenty prematurely born babies, all who normally would have died in the condition they were in, were each fed only a few milliliters of tap water—far less than an ounce—that had been stored in the healing pyramid energy field of one of these pyramids. To the joy of the parents and to the elation of the scientists, each one of those precious twenty prematurely born babies lived.

What may even be more astonishing and to many readers a shocking “wake up call” is despite the fact humanity on Earth now undoubtedly has the most perfectly documented perpetual FREE ENERGY and means to possibly heal absolutely everyone and EVERYTHING on Earth, who KNOWS ABOUT IT?

FREE Healing PYRAMID Energy is more fully effective than all the various many-faceted, wonderful, well-meaning global “Green Movement's” of more than a decade of effort.

That includes all that has been done since the long-standing, much repeated “climate change” huff and puff warnings by reputable concerned scientists.

It is crystal clear a widespread national or global news blitz of all that that can now truly be done with free healing pyramid energy has been obviously deliberately withheld or intentionally blocked from mass worldwide public media disclosure.

I assure you that by the time (or before) you have finished reading this booklet, you will know beyond a doubt why the massive, powerful dark global military-industrial complex have effectively blocked any and all FREE ENERGY delivery systems from being known by our Earth masses for the past 100 years or more. These “rich beyond measure” corporations, bankers, and WORLD CONTROLLERS are driven only by greed and daily worship to their money god; seeking total slave power over all other beings on Earth.

This subtle “blackout” was achieved via their tightly controlled cowed, worldwide so-called “public major media”; the worldwide newspaper, TV, radio, book publishing, and magazine media systems, including even a rigidly controlled sports entertainment movie and cartoon industry to mention a few major censorship systems.

Fortunately, due to continual loving help from Divine Universal and protective Galactic Federation extraterrestrial sources, enough awakened “whistle blowers” human souls on Earth have managed to keep the “BEAST”—as known in Biblical terms—at bay. These whistle-blowers have stopped the “beast” from mobilizing the U.N. and the powerful dark governments of Earth from passing national and international laws and regulations that would block the TRUTH from even faintly being disclosed on our vast worldwide internet. The internet, so often maligned now, is our major truly open free disclosure national and international communications system on Earth.

There is absolutely no doubt in my mind that the pyramid power disclosed by Dr. Patrick Flanagan in his book of the same name (published in the early 1970s), and the brilliant research and development of the past two decades by Russian scientist will soon be known worldwide via our massive collective disclosure movement as outlined in this booklet.

AS WE THE PEOPLE LEAD, THE LEADERS OF THE WORLD GOVERNMENTS MUST FOLLOW.

Humanity now possesses an easy to construct ultra low cost source of continuous flow FREE healing pyramid energy for a swift healing of our entire Mother Earth—as well as rapidly rejuvenating almost every woman, man and child on Earth.

The key, paradoxically, is through swift, vigorous, social networking of this FREE public disclosure booklet via the internet.

FREE healing pyramid energy can provide humanity with a rapid, smooth transitional leap into the long fore-seen, long prophesied, long promised final Golden Age on Earth—whereupon freedom, peace, love, joy and abundance for each and ALL is soon not only truly possible, but highly probable.

So be it. All is well. Bless us all.

WE are ONE in the ONENESS of All that Is....

## *Foreword*

### *Four Points Worth Making*

By the time you have finished reading this entire healing pyramid energy “disclosure movement” booklet the following key four points ought to be fully addressed (check with me in my Author Afterword if they have been addressed to your satisfaction):

#### *Point 1:*

In the early 1970s Dr. Patrick Flanagan’s bestseller, *Pyramid Power* (selling 1.5 million hardcover books) paved the way for a NOW timely full-blast public disclosure movement that will lead every dear member of humanity to a Golden Age of rejuvenation, peace, abundance and forever well-being on Earth.

Top teams of dedicated Russian research and development scientists followed up Dr. Flanagan's pioneering work over the next two decades.

The Russian scientists gradually built and rigorously tested and documented a myriad of astounding FREE ENERGY healing with miraculously rejuvenating results, as disclosed in Chapter 3 of this booklet, via 50 pyramid structures (most are very large) erected worldwide with most situated in Russia and Ukraine.

Hopefully—even before you finish reading this volume entirely—you will be sharing a good portion of the revelatory so very exciting, utterly astounding, seeming miraculous rejuvenating, healing pyramid energy disclosure test results.

Please speak enthusiastically, passionately and authentically to everyone about what you soon will know about what FREE ENERGY healing PYRAMID structures now offer.

When YOU build or buy and own a pyramid, one or more, you thereby effortlessly create and expand your own personal unique, genuine public disclosure circle on Earth.

Indeed—as each and all of us even partially roused healing pyramid energy MOVEMENT members spontaneously DO—from this date forward what is responsibly long over-DUE by each and all of us—we become “wayshowers” to all humanity.

In turn, as we the people lead, the world leaders must follow!

*Point 2:*

All the major worldwide news media either are owned or are cowed by three or four powerful members of the “world controllers.” They are also known as the Military-Industrial-Complex, the BEAST, the Illuminati, the Dark Cabal, or the Dark Brotherhood. They also control and hold tight total financial power over all major worldwide energy production

and dangerous, often very toxic legal pharmaceutical and even illegal drug sources, they shudder and tremble in great fear at any mention of “free energy” or free anything.

Meanwhile, to keep face, major media outlets occasionally do make small token gestures with brief news stories about what the Russian scientists have proven, yet over past decades have done everything possible to ridicule any genuine disclosure of FREE ENERGY devices or FREE “healing energy.” They have installed and engrained the absolute false science notion that FREE “perpetual motion” machines or devices are contradictory to known modern science truth, etc., for more than a century.

Thus, any illusion that major news media are ever going to report the well-documented Russian scientists' FREE “Healing Pyramid Energy” results is illusion.

That national and international government leaders, almost all of whom are under the direct management and control of the hidden World Controllers and hidden governments, are going to step up to use this fully proven PYRAMID POWER technology to build huge international pyramid structures to usher in a Golden Age of Abundance and personal FREEDOM is sheer wistful delusion.

YET it can be done! It will be done! WE will DO it.

So be it.

However, “we the people” will do it. We are who must and who will make full worldwide public disclosure a swift worldwide public social network MOVEMENT, as we collectively clearly demand and insist that our world leaders follow our lead or else surrender and rightly lose their powerful leadership position or “office” of leadership.

Let it be so!

Never forget that as we the people lead the leaders must follow.

This is an absolute TRUTH stated frequently by the obviously very brilliant, determined, forthright, fearless, globally respected “whistleblower” Dr. Greer, who continues his unrelenting public charge that our USA is and has been in collusion with other major Western world governments of 70 years of UFO cover up. Dr. Greer’s work is also a vital worldwide public disclosure MOVEMENT whose time has also come.

*Point 3:*

It follows naturally that we can never rely on the World Controller's ever allowing major world or government leaders to initiate a swift mass public worldwide healing PYRAMID energy worldwide disclosure MOVEMENT.

So it is obviously imperative that only a deep heart-felt soul-inspired, genuine dedicated healing PYRAMID energy grass roots MOVEMENT of small, 2 to 9 member groups to

start, begins to form and to meet together once or twice a week in countless towns villages cities or communities worldwide and eventually merge together internationally at some critical mass point.

All passionately committed and active grassroots healing PYRAMID energy public disclosure MOVEMENT member groups will grow steadily. Hopefully sharing this FREE booklet and sharing the information on social media to reach and amass the needed “we the people collective power.” This will be a step into a fabulous, plentiful Golden Age where continual FREE healing PYRAMID energy structures can provide healing and energy to humanity and all life on our dear Mother Earth.

In all successful “we the people” positive grassroots movements, a key critical mass will arrive suddenly and naturally. At that collective critical moment the great mass of small and large MOVEMENT member groups, will suddenly coalesce together worldwide as ONE very mighty, unstoppable, invincible power and force for far greater good (greater GOD) on Earth.

**WE can do it. WE will DO it.**

Hold this grand uplifting thought, this cozy warm heart-feeling IMAGE deep in your soul and mind as you read—ponder and gleefully share—what is truthfully disclosed in this FREE booklet.

IMAGINE.... SEE mentally and feel with heart-felt joy and delight all Earth teeming world wide with countless tall, towering majestic healing PYRAMID energy structures—whether erected privately jointly or publicly in all towns cities nations—and especially in all city or National Public Parks worldwide each—proudly “showing off” their community with tall majestic healing PYRAMID energy structures.

*Point 4:*

Whether you BUILD or BUY your own house or yard full of various size healing pyramid energy structures does not really matter.

The main thing is to have and to utilize as many accurately made and accurately positioned pyramid structures as you can afford to build or buy.

Think it through. Each added pyramid built or bought and utilized anywhere globally adds energetically and positively to each and all of us planetary-wide. Each one hastens the collective movement of every one of us in our one planetary Human Family's move into soothing individual and collective body rejuvenation states to visible age-reversal, and to a more sensitive unconditionally loving more peaceful, more abundant and an infinite gloriously joyfully FREE ENERGY Healing Golden Age on Earth.

If you are like me, you can probably hardly wait to start constructing or buying one or more healing pyramids for

yourself. I already have constructed more than half a dozen for our family indoor home use.

Possessing our own healing pyramids hastens the collective movement of each and all of us on Earth into calming, soothing, individual and collective body rejuvenation and visible age-reversal states.

Each and all of us become naturally effortlessly more sensitive, unconditionally loving—and more peaceful, more abundant and an infinite gloriously joyful—FREE ENERGY healing happy One Golden Age human family on Earth.

**IT DOES NOT MATTER WHETHER YOU BUILD OR BUY PYRAMID STRUCTURES FOR YOUR OWN PERSONAL USE. BE IN POSSESSION OF AS MANY AS YOU CAN BUILD OR AFFORD TO BUY.**

I know without a doubt a vast majority of the readers of this booklet and the readers of my upcoming full-size book (intended for swift publication in many major languages) are simply far too busy or do NOT wish to take or make time to build your own pyramids.

Therefore, simply buying as many as your budget will allow is a far more feasible option to you.

DISCLOSURE!

DISCLOSURE!

DISCLOSURE is the heart and soul of our FREE ENERGY healing PYRAMID POWER worldwide MOVEMENT.

Now please “read on” to understand and know why I am personally inviting you to become a much appreciated, much loved active, healing PYRAMID energy worldwide public disclosure MOVEMENT member.

Think it through.

I will ask you again AFTER you have read and pondered through this entire booklet—at the close of Part 4—in my then upcoming front stage Author's Final Afterword.

## *Chapter 1*

### *Dr. Patrick Flanagan's Pioneering 1970s Bestseller, Pyramid Power*

**I**t is intentional that my first two chapters of this booklet focuses initially upon the science research work done of two dynamic souls. Dr. Patrick Flanagan and David Wilcock, who are humanly embodied here at this time on to help Humanity on Earth to awaken from a very long, deep, dark almost “sleep-walking dead” state.

I hold both of these clearly highlighted, magnificent, astounding human souls in my highest personal esteem, respect and unconditional love. I know Brother Patrick Flanagan well.

I do not personally know David Wilcock in this lifetime at a face-to-face level as yet. I do know there is a forever-bond of warmhearted, appreciative spiritual brotherhood and joint WORLDWIDE “disclosure” work we three share at deep-rooted spiritual levels.

Indeed, both Dr. Patrick Flanagan and David Wilcock both have done so very much to freely help a Humanity to step out of Earth's long Age of DARKNESS and step into the absolute bright LIGHT of a final Golden Age of Light of Love and Abundance. They have foreseen sheer soul-fulfilling individual and collective Heavenly JOY on EARTH for us each and all.

The eons-long Age of DUALITY of division and separateness ends as the genuine lighted recognition and heart-knowing ONENESS of All that Is reigns brightly within and without each and all of us Divine Spiritual Beings now present and humanly embodied on our dear long-suffering, long nurturing, ever-loving gorgeous Earth Mother host.

There are no accidental or chance meetings. When the time is right, the ever-present Universal Law of Attraction will and does bring active Lightworkers together who share destined purposes. And so it is.

And so it was....

Dr. Patrick Flanagan and I first physically met at a large welcome banquet in the early 1970s at a four-star hotel in Phoenix, Arizona, USA—seated triangularly at a corner of a huge banquet dinner table set for key speakers at a massive several days long conference of actively known key New-Age Lightworkers on Earth.

There was an instant soul recognition between us and we naturally formed a lasting, deep spiritual ongoing brotherhood and close human friendship lasting now for more than four decades.

Over the years, I have gained more and more insight, trust and high respect into the astounding life and Being of Dr. Patrick Flanagan whom I call “Mr. Pyramid Power” as well as Patrick Flanagan, the “Man of Tomorrow.”

Patrick was featured on the front cover of Life Magazine when still in his teens. The feature writer of Life Magazine predicted Patrick would be known worldwide as one the top scientists on Earth, a prediction that has surely come true in hearts and diamonds!

Dr. Patrick Flanagan holds more than 200 U.S. patents on his inventions. To date Patrick has personally worked upon more than 400 different inventions.

As an author of more than 30 self-help and spiritual best-seller books have, in collaboration with Patrick and my own Russ Michael Book TEAM, Chief editor Pamela Leach, have been working for years to complete a fully comprehensive biographical of Patrick's astounding life story aptly titled, *Dr. Patrick Flanagan—the Man of Tomorrow*.

And yes major book publishers editors worldwide or movie producers who may be interested in a Publishing Agreement for *Dr. Patrick Flanagan—the Man of Tomorrow* or a movie rights contract may contact Patrick or me at our contact info posted in the Appendix of this booklet.

Patrick has made more than 40 trips from our USA to the Great Cheops Pyramid in Egypt. He gained entrance on most of his visits into the famed Kings Chamber where he conducted various scientific “pyramid power” research and tests.

Patrick pioneered the first serious early research into the science of the healing pyramid energy, disclosing it in his 1.5 million hardcover book bestseller edition of *Pyramid Power*.

He boldly self-published in 1972 when all the major U.S. book publisher editors he approached told Patrick they did not believe people were interested in pyramids and that his book would never sell.

Of late there has been much media speculation predicated on much collective Lightworker belief or fact that Dr. Patrick Flanagan is the reincarnation of Nicolas Tesla, famed for his early 1900s free energy science experiments and his “Tesla Coil” and is well noted in current history as the “Father of Electricity.”

Thus we can postulate and speculate in this vein of light that Nicolas Tesla—morphed now as our dear Dr. Patrick Flanagan humanly embodied soul rejoined with us today—was also THEN in the near past a “Man of the Future” since almost everything we utilize power-wise today runs on electricity.

Where on Earth would our billions of Human souls on Earth be today without the use of electricity utilized to run everything around us from light bulbs to almost all gadgets, motors cars, ships, trains, airplanes, computers and cell phones, etc.

WOWEE! A week or so after I began to scribe this booklet in late March, 2013, Dr. Patrick Flanagan sent me an email photo of what appears to be about 6-foot-tall titanium pyramid Patrick personally designed for manufacture and uses for himself to sit in during his daily meditation times.

I noted there is also another unique, small, double interlaced pyramid structure hanging down from the inside midpoint of his pyramid that dangles overhead where Patrick would be sitting in the silence or in meditation. I want one!

IF you PERSONALLY wish to see what it LOOKS like, send me an email off at [Age-Reversal@aon.at](mailto:Age-Reversal@aon.at) and I will email to you the photo of the Titanium Alloy Pyramid meditation structure photo Patrick kindly shared with me.

The Dr. Patrick Flanagan titanium alloy pyramid does not have side walls. It is made of only eight titanium alloy poles. Four poles are locked together to form the pyramid base that appears about four-feet square. Four more poles locked together are angled up to the pyramid midpoint to form the exact golden mean ratio pyramid angle.

I have long understood that covering the four angular side walls of a pyramid structure is not necessary as it is the PYRAMID GEOMETRICAL perfect Golden Mean ratio geometrical SHAPE - angle - height and all non-metal, non-conductive construction material that generates the PYRAMID POWER, for pyramids that must be set to an exact square true north position.

Metallic pyramids are a different matter.

Incidentally, Patrick told me that Titanium alloy is the best quality metal or metallic structure material with which to construct a pyramid that he has tested and found.

However, he emphasized the point that titanium alloy is relatively very expensive.

That is worth knowing and remembering if you have extra funds on hand when you purchase pyramids.

A non-metallic pyramid structure is always properly set to exact square true north; a metallic structure pyramid must be properly set to exact square magnetic north.

I am and have been puzzled why Russian scientists did not build their more than 50 huge pyramids these past 20 years simply out of 8 pieces since learning of these Earth-changing Russian Pyramid experiment results a few months ago. (The four-pole square base set to true north with four more poles that angle up to the point of the desired height of any one of their various pyramid constructions worldwide.)

Perhaps it was to maintain long-term structure permanence as well as to present a worldwide more known Great Pyramid of Egypt IMAGE,

Without “wall covers,” it certainly could cut the time and cost down immensely from the five years and million dollars spent to build their 44-meter high pyramid structure to a fifth or a tenth of that cost to erect huge pyramids worldwide for good local weather protection from bad storms or cyclones, hurricanes, typhoons, earthquakes, etc.

As you read further and know and understand the healing pyramid energy power emitted, you will be elated to see how any town, city, park, national park or nations, cooperatively

erecting inexpensive “pole” pyramids worldwide, would make all Mother Earth a year-round temperate “Hawaii-like” Paradise to live upon in a hurry.

Perhaps Dr. Patrick Flanagan will address my thoughts to answer this puzzling question I have in due time.

P.S., that due time arrived swifter than I realized it would as Patrick bless his heart, is always very busy at his ever ongoing dedicated life work and a “man of few words” and keeps his conversations brief.

However, since Patrick and I may now and then communicate more than a few times with each other daily, he did promptly read and answer my question stating and I paraphrase, “the Russian scientists simply believe the pyramids with walls are more effective in what they are doing.”

## Chapter 2

# David Wilcock's Healing Pyramid Energy Disclosure!

**D**avid Wilcock's Healing Pyramid Energy disclosure in his science classic, *The Source Field Investigations*.

Whereas I truly rank Dr. Pat Flanagan as our top-of-the-line scientist on Earth today, I consider David Wilcock to be not only the foremost analyst and penetrating scientific mind into various leading edge scientific breakthroughs of the day but also a genuine psychic seer into what science foreordains for humanity upon modern day Earth.

Like Edgar Cayce, David Wilcock keeps written records of his nightly dreams that enable him to peer into forthcoming major future events in his life-stream and the life-stream of our awakening Humanity upon Earth.

Likewise, for two decades there has been much Lightworker speculation and a strong collective Lightworker belief (or fact) that David Wilcock is the humanly embodied reincarnation of Edgar Cayce, the famed 1930s and early 1940s "Sleeping Prophet of Virginia Beach."

Edgar Cayce was beyond doubt the most studied and worldwide well-known psychic in modern day history.

Scores of bestselling books were written about him. Today the Association of Research and Enlightenment (A.R.E.) headquarters located in Virginia Beach, Virginia, U.S., has a library with more than five thousand of Edgar Cayce's "past-life readings." Loaded with historic insights and natural healing remedies of body, mind and spirit, these readings have drawn millions of readers through the years from all major countries on Earth.

I went there to read these in the late 1960s, and stayed.

Consequently I have had a legal Virginia Beach, Virginia, U.S., residence for decades now, though for the past two decades, I have lived with my soulmate wife Maria and our 21-year-old son, John Mathew Michael, here in the silent, lovely rolling green hills of Austria.

Edgar Cayce had also predicted his re-embodied human reincarnation on earth just prior to our Golden Age on Earth.

It was nearly twenty years ago when I learned that a young author named David Wilcock was being touted as the reincarnation of Edgar Cayce. My first thought was this young man was just another author looking for publicity. However, upon reading his books and articles posted at his website, I realized David "spoke to" matters that only a mind as vast as Edgar Cayce had possessed could perceive such a whole-hearted Universal overview of the subjects and the science he evaluated and addressed.

Long before his new book, *The Source Field Investigations* was published, I had no doubt in my own heart

and mind that David Wilcock is indeed Edgar Cayce reincarnated. David, like many of us Lightworkers, arrived at an auspicious time on Earth for the same reason and purpose that famed late 1800s and early 1900s worldwide server Nicolas Tesla returned reincarnated as Dr. Patrick Flanagan. Both are here to finish their past unfinished work on Earth to pave the way to our forthcoming Golden Age on Earth today.

If there would have been any doubt to the fact that David Wilcock is Edgar Cayce reincarnated, on reading his recently published awesome book, any doubts of mine would have been dispelled by the time I was halfway through.

It is no surprise his book became an instant bestseller worldwide!

I emphasize: any reader of David Wilcock's truly riveting and insightful book, *The Source Field Investigations*, will see and understand for themselves the vast scope and range of David Wilcock's adept ability and steadfast determination to be 100 percent scientifically accurate. His vast, penetrating, coherent understanding as to how significant whatever new leading edge science he studies will perhaps play a key or major role to all life on Earth.

Like me and countless other awakened human souls on Earth, David Wilcock also fully understands the vast death-grip the powerful, greedy power-mad Military-Industrial Complex Dark Corporate "Illuminati" Cabal, holds over all humanity in every walk and every major field of human life

on Earth including, government, politics, religion, science, sports and even our arts and entertainment fields.

He astutely address what he calls the soon downfall of the Military-Industrial Complex's worldwide “Financial Tyranny,” of wheeling and dealing with trillions of fraudulent dollars used to hold all Humanity on Earth in an iron-clad death-grip, body and soul mind control.

David fully understands and addresses the worldwide tyranny of government and the vast prevailing corruption in politics. He delves deeply especially into banking and blatant fraud in the entire “soon to fall” financial field, to be replaced with fully transparent, honest banking systems combined with non-polluting FREE energy systems and abundant “people helping people” Golden Age economy and an entirely beautifully rejuvenated Earth Mother.

David Wilcock devotes a whole insightful chapter in his “The Source Field Investigations” recent bestseller book that I interpret to mean forecasts or predicts countless healing pyramid energy structures will soon be erected all over Earth.

David Wilcock states on page 154 of his book (more can be found in Chapter 8 of this booklet):

*“The physics laws that make pyramid power a reality should work on any planet that harbors intelligent life at any time, past, present or future—so it may be that pyramids are very, very common throughout the Universe. It appears that we are only just now getting up to speed on the science behind them.”*

I personally find an obvious synchronization to the fact that Edgar Cayce predicted in copies of his lectures and vast bank of past-life readings that in the forthcoming New Age On Earth after the year 2000 that, “Russia would be a Light to the world.” In his book, David Wilcock calls attention to the vast amount of Russian healing pyramid energy research and development over the past two decades, and relates pyramid power directly as “our key to the Golden Age.”

I do hope what you read on about the known almost endless healing pyramid energy beneloving humanly re-embodied soulmate wife Maria.

Once again I advise you to obtain and read the entire fascinating book, *The Source Field Investigations*, as it is so loaded with reliable revelatory ASCENSION information that counts most in our everyday good (GOD) life on earth.

All is well for all on also divine holographic construction Earth.

Bless us all

## Chapter 3

### Russian Healing Pyramid Energy Research Results

A reading by the “Sleeping Prophet” Edgar Cayce on June 30, 1932, said work began on the construction of the Great Pyramid and Sphinx in Egypt about 10,500 B.C. If so a seeming sleeping humanity on Earth has had nearly 13,000 years to have done serious intense research and study on how and why such huge pyramids were constructed across all our earth.

However, none or very little has been learned or published about “pyramid power” by investigative scientists over this vast stretch of time prior to Dr. Patrick Flanagan's pyramid research studies as published in *Pyramid Power* in the early 1970s.

Fortunately for our collective human family on Earth, a band of leading-edge Russian scientists have focused a wondrous, now worldwide, “light of knowledge” on what FREE pyramid power or natural FREE healing pyramid energy can do to rejuvenate our planet Earth. OF COURSE this includes every one of us, our loved ones, and all life forms upon our imminent Golden Age on Earth.

Dr. John DeSalvo's Giza Pyramid Research Association website first published the astounding breakthrough healing results listed below in this chapter of the new Russian studies

for the Western world as well a several scores of select and astounding pyramid user testimonials posted in the APPENDIX of this volume (just a few of the many thousands posted at the Association's website).

Dr. Alexander Golod was the apparent leading force in building the first pyramid structures in both Russia and the Ukraine in 1990 where an array of leading Russian scientists conducted experiment on them and soon realized the healing "pyramid power" had potential to revolutionize our modern day society in so many wondrous ways.

Seventeen various size pyramids were constructed in 2001 and eight of them were built in Russia and Ukraine. By 2010, more than 50 pyramids were built worldwide. The majority of the pyramid structures are in Russia and Ukraine.

Dr. Golod constructed his pyramids from an internal framework of PCP pipes covered with fiberglass sheets. The largest one of his pyramids was 144 feet tall, weighs 55 tons and took five years to build, costing a mere million dollars. It was completed in 1999.

Pyramids erected of metallic materials must be exactly aligned to magnetic north—while pyramids constructed of non-conductive materials like the great stone pyramids—must be exactly aligned to true north.

No metals were used in their construction. All the construction materials were non-conductive since any metals on a pyramid constructed of non-metallic materials was

known to decrease the healing pyramid energy's seeming magical effects when exactly aligned to true north.

As Dr. Patrick Flanagan pointed out to me, Dr. Golod used the Golden Mean phi ratio of 1 of 1.618 that often appears in the growth pattern of living organisms.

Upon a careful in-depth study of the many profound science-backed, well-documented, and published beneficial healing pyramid energy achievements proved and documented again and again by key Russian scientists, David Wilcock wrote (as I paraphrase):

*“Pyramid technology is indeed far more advanced than we ever realized, and has the power to completely transform our planet—as well as our own lives. The only thing holding us back was that our own science had not yet progressed to the point where we could identify and understand such a high technology.*

*“I realized that pyramids were indeed the most stunningly advanced technology ever built on Earth.*

*“Thankfully, multiple teams of accredited, mainstream Russian scientists did the work for us. Their results suggest that pyramid technology, and its offshoots could save the world—and substantially improve our physical, mental and spiritual health along the way. In addition, these results tear the roof off everything we thought we knew about our own bodies and about science in general. The more you learn about it the more wonderful the implications become.*

*“The tragically sad aspect of these genuine noteworthy discoveries was no mainstream academic journal would publish their results despite all the meticulous care Russian scientists took to preserve strict scientific protocols. The main reason for this seems to be that entrenched power groups would be heavily threatened by all the technological breakthroughs these discoveries would provide.”*

There is no doubt in my mind that David Wilcock is pointing to the vise-like grip the united Military Industrial-Corporations Complex has worldwide. It owns or controls all the oil companies, pharmaceutical drug companies and the wealth of the world. It tries with its power and might to keep all manner of FREE healing technology publicly blocked and undisclosed via their worldwide disinformation, false information and no information major mainstream media. Jesus, if he were here on Earth today would again say, “Forgive them, for they know not what they do!”

In all fairness, the formerly blocked media wall was and is slowly being breached thanks to the disclosure work of Dr. DeSalvo and Anatoli Golod, the son of Dr. Alexander Golod. Bless their souls—the Pyramid of Life website says these studies have now been covered on CNN, BBC, ABC, AP, Boston Globe, the New York Times and other international mass media.

As you will read in the full size *Healing Pyramid Energy Worldwide Public Disclosure* book, Dr. Sam Semir Osmangich, discoverer of the massive Bosnia pyramid did a

fabulous job of generating major MEDIA COVERAGE on pyramids over the years 2006 to date.

However, unless aired several times and published repeatedly, most working people do not see and know what obviously ought to be a major media hot topic; a clear, scientifically proven, practical, and relatively low-cost way and means to solve ALL the obviously great major ills on Earth. This failure to adequately disclose publicly the wonders and promise of healing pyramid energy adds up to me as a genuine deliberate vile “crime against all humanity on Earth!

This is why I am so passionate about making sure this information disclosed via widespread person-to-person sharing and worldwide free reading of my FREE initial healing pyramid energy public disclosure booklet. This allows the time for my full-sized book to be published and translated in as many major worldwide languages as possible as swiftly as humanly possible.

I am therefore asking you personally to be a dedicated and enthusiastic healing pyramid energy public “disclose” and pass on this information without hesitation and with unending, passionate, soulful determination.

Be assured, as we the people lead the leaders must follow or lose their leadership position or office of leadership!

Please read on and share your heart-felt personal amazement, wonder, elation and genuine determination to let everyone else know what you have learned in this volume in a

very immediately effective down-to-earth way for as “we the people” lead our local, national and international “leaders” must follow our mighty collective lead.

So be it.

\*\*\*\*\*

- ✓ TESTS BY TEAMS OF RUSSIAN SCIENTISTS REVEAL HOSTS OF UTTERLY VAST, ASTOUNDING, SEEMINGLY MIRACULOUS, UNDENIABLE HEALING PYRAMID ENERGY, WELL-PROVEN EASILY DUPLICATED RESULTS.

All the research done by the Russian Academy of Sciences had *positive* results.

Armed with this (healing pyramid energy) knowledge we can heal the earth.

- ✓ ONE MILLILITER OF PYRAMID WATER SAVED 20 PREMATURE BABIES THAT WOULD HAVE DIED

We have already addressed the fact no doctor should ignore. Twenty premature babies with grave medical problems that normally would have died within a few days were given distilled water that was stored in the pyramid a few days. (The full story is at the beginning of this booklet.) The results of these experiments and sensational results should be well known by all doctors, and by all of us as well. What a mass major media “failure to disclose” crime against all humanity!

✓ AWESOME HURRICANE, TORNADO, TYPHOON  
AND BAD WEATHER BIG STORM CONTROL  
SHIELD

Russian scientists using especially sensitive Military Sensing Equipment similar to radar called a “Military Locator,” tested the 44-meter high Russian pyramid. They found a 500-meter wide column of energy around the pyramid in a circle, going straight up and down more than 2000-meters tall (more than 6,000 feet) as well as an also much bigger 300-kilometer wide circle formed around it.

This 300-kilometer healing PYRAMID POWER energy field deflected all huge storms and severe weather conditions, causing them to go “around” it, rather than “through” the area for a protective radius of 300 kilometers (forming an almost 200 mile NATURAL protective bad weather shield)”

✓ REDUCES CRIMINAL BEHAVIOR

David Wilcock wrote:

“The Russian Science of Academies confirmed that pyramid energy could reduce criminal behavior and increase feelings of love and peace. All they did was store granite and other crystalline structures in the pyramid (for several days) and then set them up then in and around certain jails in Russia, which held a total of about five-thousand prisoners.

“According to the Pyramid Research Association Web site's summary of these results, “In a few months most crimes almost disappeared, and behavior was much improved.”

Nothing in the jails under study had been changed except that this pyramid charged granite had been built into their own surroundings.”

✓ RABBITS AND MICE WERE TWICE AS STRONG

He and his associates found rabbits and white mice became 200 percent stronger in their endurance and their white blood count went up Can you imagine the implications of this to professional sport athletes. and nations competing to have the best athlete in any sports field?

✓ ALL THINGS HARMFUL TO LIFE ARE  
TRANSFORMED TO BEING NEUTRALIZED OR  
LESS HARMFUL

THUS a vital key point to make clear to all readers of this booklet—as disclosed by David Wilcock—is THAT ANYTHING HARMFUL TO LIFE WOULD BE TRANSFORMED INTO SOMETHING BETTER if kept inside or near a pyramid.

✓ EXTINCT FLOWER FIELD SUDDENLY APPEARS  
REBORN AGAIN

Most amazing of all, nearby fields were soon covered with flowers that should not exist. They were supposed to be extinct. Obviously life-giving rejuvenating energies harnessed by the pyramid had significant healing effect on the land and upon everything around them.

✓ EARTHQUAKE CONTROL

The Russian scientist checked records of how many earthquakes occurred in a local area where pyramids were built. The difference was astounding. Rather than having one huge powerful very damaging earthquake they recorded hundreds of tiny little quakes naturally allowing the geotectonic stress and frictional charges to bleed away in small doses and CAUSE NO EARTHQUAKE DAMAGE in the area WHATSOEVER!

✓ WHEAT GREW 400 PERCENT MORE

Dr. Yuri Bogdanov, in Ukraine reported that by an area where a 12-meter high pyramid was built, the wheat grew 400% better than it had before.

✓ NO DANGEROUS EFFECTS SEEN FROM PYRAMID POWER

No dangerous harmful ill effects were ever observed by Russian scientists conducting pyramid healing experiments.

Dr. Alexander Golod and his associates found that anything that was harmful to life would transform for the better if it was kept inside the pyramid. Poisons and other toxins would miraculously become far less destructive after even a short stay in the pyramid of Life.

✓ RADIOACTIVE MATERIAL DECAY FASTER

Radioactive materials decayed faster than they were expected to. Dangerous pathogenic viruses and bacteria became less harmful to living organisms after a stint in a pyramid. Even psychotropic drugs like LSD had less of an effect on a person who was inside or within close range of the pyramid.”

✓ STRONTIUM, HEAVY METALS AND SALT VANISH FROM WELL WATER

Strontium and heavy metals polluting a water well vanished when a series of pyramids ordered by the municipal administration were built by it. The well soon began pumping up clean water. In other experiments water wells loaded with salt—with a pyramid built by it—were soon also pumping up clean salt-free water.

✓ DIAMONDS GET HARDER

In addition, diamonds synthesized within the pyramid became harder and purer than normal.

✓ PYRAMID TREATED SEEDS YIELD 20 TO 100 PERCENT MORE CROP

More than 20 varieties of seeds planted across thousands of hectares were kept in the pyramids for five days before being planted. In each case there was a 20 to 100 percent crop increase.

✓ INDUCED NEW STREAMS OF WATER NEARBY

A 22-meter high pyramid built by Seliger Lake soon revealed that new streams of water appeared in the surrounding countryside.

✓ PYRAMID SEED CROPS DO NOT GET SICK

The plants never got sick.

✓ PYRAMID SEED CROPS NEED LESS WATER

The plants were not affected by droughts AND the same higher yield and healthful drought resistance effect was equally achieved simply by putting granite rocks that had been stored in the pyramid around the edges of the crop fields.

✓ CLEANER OIL WELL PRODUCTION

Oil well fields with pyramids erected over them made the oil 30 percent thinner, thus faster and easier to pump out of the ground. As well, the oil was immensely cleaner of gums, pyrobitumen and paraffin—all decreased substantially. Oil wells in the surrounding fields that had no pyramid structure erected over them showed no change for the better whatsoever.

✓ HEALS OZONE HOLES ABOVE PYRAMIDS

A few months after the Seliger Lake was completed the ozone hole above it substantially improved.

✓ PROTECTS FROM LIGHTNING STRIKES

“A Russian team from the All-Russian Electrotechnical Institute in Moscow learned that if they took seven one hundred gram chunks of granite that had been stored in a pyramid and arranged them into a one meter circle, that area was 5000% less likely to be struck by lightning.”

✓ PYRAMID MOUNTAIN ENHANCED ALL LIFE AROUND IT

Two Pyramid-shaped mountains, named “Brat” and “Seska”—“Brother” and “Sister”—on an otherwise flat plain of Nakhodka, one of the largest ports in the Far East of Russia viewed as holy places in ancient times, drew many travelers from China and Korea.

According to researcher Maxim Yakovenko:

“Then and now, people say they feel happy on these hills. and I agree with them. The sides of those hills are oriented toward north, west, south, and east, like the pyramids in Egypt.

“Tragically in the 1960's the peak of Brat was blown off to harvest stones for building projects reducing the height by 78.5 meters. Here's the surprising part:

“After the destruction of Brat's peak (its located 5 or 5 kilometers from the city of Nakhodka) the climate changed for some weeks. People told me that there had been very hard

wind for several days after the detonations, and that it was raining.”

Apparently the weather in that area had been very calm for ages up to that point.

✓ SAVES EARTH--BY INCREASING LOVING HUMAN INTERACTION

David Wilcock writes on pages 154 and 350 of his book, *The Source Field Investigations*:

“Somehow, feelings of love and peace, which are normally considered to be abstract emotional phenomena that are strictly psychological in nature, have a direct effect on our surroundings.

“The pyramid energies create a measurable improvement in criminal behavior—just like the meditation effect of seven thousand people that we discussed earlier, which reduced worldwide terrorism by 73 percent (on the entire day that they meditated collectively on the feeling and thought of peace worldwide).

“Armed with this (healing pyramid energy) knowledge we can heal the earth.

It's as if life itself has a yet undiscovered energy field that supports its own existence and it emanated directly from the earth—where it is then harnessed through unique pyramid structures.”

✓ ALL POSITIVE RESULTS

“All the research done by the Russian Academy of Sciences had positive results. All showed a positive influence on ecology and human health while visiting the Pyramid or using products - crystals - solutions - water - granite rocks - and objects “prepared” there.

“Radiation can quickly be reduced, ozone holes closed up, earthquakes and severe weather reduced, or even eliminated, water purified, crops improved, illness and disease dramatically lessened, buildings made far stronger and safer, and even crime, terrorism, and mental illness greatly reduced—if not wiped out entirely. All these things we consider to be separate problems well beyond the capacity of one person to manage, can now be seen as a part of the International Whole.”

*[NOTE from the Author: The “International Whole” is what I know and SOUGHT TO EXPLAIN in my latest book, the “ONENESS of All That Is” available FREE at our Golden Key Library Website posted in the Appendix.]*

“Somehow the full extent of the power of this ancient technology didn't become clear until I read what some other teams within the Russian National Academy of Sciences had discovered—where we can see how the pyramids actually give us clear protection against catastrophic Earth Changes.

“Given the incredible damage than can be caused by hurricanes - tsunamis - volcanoes and the like, there is absolutely no reason why we should not be exploring these

possibilities on a worldwide massive scale.” [A big “YES indeed” to that!]

“How can we afford not to try it? Do we dare to be so arrogant and overconfident in conventional science that we completely ignore the power of cheap easy-to-build technology that would SAVE THE EARTH?”

### *The Healing Pyramid Energy Disclosure Movement*

**C**reate or join a worldwide local grass roots and a social network healing PYRAMID Energy Public Disclosure MOVEMENT.

Our vast Healing Pyramid Energy Worldwide Public Disclosure MOVEMENT is so very vitally important to all Humanity on Earth. After reading David Wilcock's chapters of the results of the Russian scientific pyramid experiments I went into the silence and MENTALLY asked both the Heavenly Ascended Masters and my own Higher Human Soul Self for clear HIGHER INNER GUIDANCE.

Within moments the “how to” swiftly awaken our sleeping masses on Earth came clearly to mind: to author a FREE “Healing PYRAMID Energy Worldwide Public

Disclosure” booklet to initiate a swift worldwide MOVEMENT.

I am now fully satisfied a FREE “how to” begin and how to CALL ATTENTION to such a vast global Healing PYRAMID Energy Worldwide Public Disclosure MOVEMENT is the perfect pathway to a highly successful planetary-wide healing pyramid energy movement.

Reading and sharing an initial FREE Healing PYRAMID Energy Worldwide Public Disclosure booklet is how we each and all can get this vital public disclosure MOVEMENT expanding worldwide, almost effortlessly, swiftly and effectively!!!

I AM asking, literally pleading, my long-time three thousand+ daily FREE “Message from Michael Worldwide Newsletter” email subscribers and my archive of more than 600 worldwide Lightworker LIST HOLDERS (some with many hundreds or thousands, one with 10,000 and another with more than 100,000 subscribers) to join our Earth healing MOVEMENT this moment.

I ask as I know the Universal Law “What you ask for is given.” This then is my soulful plea to you!

Please find it in your heart and soul to kindly share what “healing pyramid energy” can do RIGHT NOW for YOU, your family, your friends, your work associates, and for Mother Earth, etc. How simply by introducing inexpensive various size healing pyramid structures into your personal environment and group environment (like city parks and

national parks) can naturally rejuvenate your personal and collective state of health and sense of well being.

Fill your home back yard with paper, cardboard, wood, plastic, Styrofoam, etc., healing pyramids from small to large.

As you now know, leading reputable Russian scientists have proven non-metal pyramid structures with a high angle Golden Mean ratio slope emit tremendous PYRAMID POWER as long as they are accurately aligned and set squarely to a true north position.

You may also choose to build or buy fancy and often quite pricey metallic pyramids, which are to be set squarely to an accurate exact magnetic north position by using a usually relatively inexpensive high quality magnetic compass.

You must of course reset any pyramid each time you move it back to a true north position if non metallic or to an accurate as possible exact magnetic north alignment.

If possible, I ask that you PRINT OUT and put a copy of this free *Healing PYRAMID Energy Worldwide Public Disclosure MOVEMENT* booklet in as many hands as possible; or send all you know directly to our Golden Key Library at: <http://www.GoldenKeyLibrary.info>. There anyone worldwide can read this booklet online or download a FREE digital copy and print out extra copies for themselves and for others who may not have access to the internet.

Think about it! What better worthy “conversation piece” can anyone find to talk passionately about with family,

friends, neighbors, or at friendly group gatherings. Sure beats talking about the weather, how ill you have been or what scandals royal family or famous celebrities have caused.

And what about FREE Healing Pyramid Energy supplied daily and nightly to our dear dreadfully polluted Mother Earth on all fronts, her lands, her waters and her life-giving oxygen-deprived blue sky atmospheres?.

Indeed in a year or two Healing Pyramid Energy structures will rejuvenate our Earth more so than all of the very good very active “Green Movements” worldwide all put together have done in the past 20 or 30 years!

Strive consciously each new day to get the attention and to keep building the mass human interest and gathering momentum of our Healing PYRAMID Energy Worldwide Public Disclosure MOVEMENT.

Work steadily to build the personal and mass public attention and curiosity of everyone worldwide.

Tweet or post often on Twitter, Facebook, LinkedIn, etc., this repeatedly seen and consciously or subconsciously noted powerful “attention-getter” CLIP:

***“Join our FREE ENERGY—”Healing PYRAMID Energy worldwide public disclosure” MOVEMENT—to heal and save Earth . . . and all life forms on Earth. Read and share our FREE full disclosure booklet at: [Http://GoldenKeyLibrary.info](http://GoldenKeyLibrary.info).”***

You need not say more, post more or tell more to your social network contacts or post on your social network pages,

Once the wonder and curiosity generated widely about why so many souls worldwide are “fired up” and Tweeting our oft repeated message our worldwide disclosure movement will explode on the INTERNET SOCIAL NETWORK pages and be unstoppable.

DISCLOSURE!

DISCLOSURE!

DISCLOSURE is the heart and soul of our FREE ENERGY healing PYRAMID POWER worldwide MOVEMENT.

Your first step is simply to post the above clip and thereafter to kindly guide anyone and everyone WORLDWIDE to our Golden Key Library to read our FREE *Healing Pyramid Energy - A Public Disclosure Booklet*. The booklet is the initial vehicle to encourage each and all readers to JOIN IN our rapidly expanding WORLDWIDE—FUN TIME, SOUL-FULFILLING EARTH CHANGING—”Healing Pyramid Energy Worldwide Public Disclosure” member MOVEMENT.

## *Chapter 5*

### *Cheap FREE Healing Pyramid Energy is Available NOW*

**T**he healing energy benefits of pyramid power are easy to access, to have and to utilize by anyone. If you truly understand the healing, rejuvenating, life transforming power that is NATURALLY emitted from every non-conductive material pyramid structure, chances are you will make one or several different sized ones for yourself or simply buy one or as many as you desire if you have funds on hand to purchase as many as you desire.

Since the healing pyramid energies decrease the potency of what is harmful to you in your environment and increase the potency of what is beneficial to you in your environment, it means over the long run you will need to buy far less expensive health supplements. It would be more economical to spend any extra funds you have on hand to build or buy a taller more potent pyramid structure and “come out” far ahead both health-wise and wealth-wise and financial-wise.

Remember healing pyramid energy can also begin immediately improving the health and well-being of YOU, your family, your pets or livestock, your houseplants or crops.

I am certain in due time with so many Healing Pyramid Energy Public Disclosure MOVEMENT members building and owning healing pyramid energy structures worldwide,

some experimenting and sharing their positive experiences, a host of new healing benefits will be unveiled and revealed.

Obviously a growing number of experiments by more and more enthusiastic new scientists will lead to a vast host of astounding new healing pyramid energy modes found and duly utilized wisely and gratefully by each and all of us on Earth worldwide.

So be it.

Bless us all.

How very blessed we are!

## *Chapter 6*

### *Build or Buy Your Own Home Healing Pyramid Energy Structures*

**W**hether you build or buy a healing pyramid energy structure is up to you; your ability to build one or more or if you prefer to buy one, and what fits comfortably into your budget. The point is one or more healing pyramid energy structures lends incrementally to the increased benefit of our entire Mother Earth and all life forms upon it.

Therefore, please, by all means, happily fulfill and manifest your positive desires for ever-greater well being for

all. Build or buy all the various size indoor and outdoor pyramids for which you possibly can find the time and/or expendable funds.

By doing so, you surely and steadily are treating yourself and your loved ones to a rejuvenated, far more youthful and healthfully robust life on Earth.

Sleeping nightly under a hanging overhead pyramid or meditating daily or nightly in an indoor or outdoor healing pyramid energy environment will naturally fill you with calmly centered soul-fulfilling creative thoughts, feelings, joy, laughter and a constant divinely felt state of well-being.

You will of course naturally share your highest loving thoughts, feelings and healing benefits gained and shared by you or your loved ones from your healing pyramid energy structure use, or the use of your dear family members, friends or neighbors.

You might consider creating a “think tank” with family, friends and even your local disclosure movement members, as I have done individually with various highly imaginative more effective pyramid structures.

For example: I asked Dr. Patrick Flanagan about the idea, who said it would work.

A metallic pyramid can be easily constructed and set to magnetic north in a moment. Simply use four narrow wooden poles to form the base of your chosen pyramid to whatever size you wish. Before joining them together, wind or loosely

coil copper wire (whatever thickness desired, though I imagine the thicker the more powerful) around each of your pyramid base pieces.

Use the same copper wire coiling procedure to the upright pieces (remember to apply the golden ration for these) before setting them at an angle to make a perfectly centered pyramidal structure.

To create a copper-coiled pyramid structure to sit in for meditation, a good size is a 5-foot square base with 8.1-foot uprights (following the golden mean ration). Set the upright pieces in each corner. Angle each to midpoint and join. Set always to magnetic north.

If, for example, constructing a 30-inch square base size pyramid to hang over your bed, the uprights must measure a golden mean ratio of 48.6-inches.

### **A WATER PYRAMID?**

Since water is highly conductive, I imagined a very tall city park pyramid structure constructed of PVC pipes and flat thick plastic sheets, as the Russian scientists have built more than 50 such pyramid structures worldwide.

HOWEVER, covering each of the four sides with water squirting or spraying down from above the top of the pyramid, directed through copper pipes flowing down as sheets of water are pumped back to the top again. This pyramid would be super-charged conductivity-wise, day and night and would be incredibly bright on the two sides where

the sun shone down upon it during the day or the moon shone down on it at nighttime.

What a striking super-charged FUN IMAGE!

Hopefully, we may see this fabulous IMAGE manifested physically in some cities worldwide soon!

Have FUN with your own unique, exciting pyramid “think tank” structure ideas too, whether you ponder your ideas alone or in the even more “think tank” FUN companionship with others!

All is well.

This is an artist's rendition of an energy beam coming through the top of the Bosnian Pyramid of the Sun.

A team of physicists detected an energy beam coming through the top of the Bosnian Pyramid of the Sun. The radius of the beam is 4.5 meters with a frequency of 28 kHz. The beam is continuous and its strength grows as it moves up and away from the pyramid. This phenomenon contradicts the known laws of physics and technology. This is the first proof of non-herzian technology on the Planet. It seems that the pyramid-builders created a perpetual motion machine a long time ago and this “energy machine” is still working. # *Swift Construction of Worldwide Pyramid Energy Structures Will Heal All Earth*

**A**t this point, you likely now have a fairly good grasp of “healing pyramid energy” benefits and the importance of having as many healing pyramid energy structures in your home and/or yard or business office as soon as feasibly possible.

It also should be obvious to you already after reading what astounding beneficial results this impeccable group of Russian scientists have already discovered when testing a wide-array of healing pyramid energy structures of various sizes and shapes for the past two decades. The more healing pyramid energy structures built across every nation on Earth, the healthier all life forms on Earth will obviously soon be, including you, me and those we love and hold dearly in our hearts and souls.

Please realize what healing pyramid energy structures erected en masse worldwide can do for you, for Earth. and for all humanity.

Also please try to grasp and hold the wondrous uplifting IMAGE or vision of how “we the people” as a worldwide collective healing pyramid public disclosure MOVEMENT

members CAN and WILL effectively soon heal all life forms on Earth.

No fooling! On April 1, 2013, while just beginning to scribe this FREE booklet I simply could NOT wait any longer to get active.

I literally “initiated” our NOW growing collective healing pyramid energy worldwide public disclosure movement by taking a few moments from my work of completing the booklet and jubilantly posting the following initial rather quizzical CLIP:

***\*\*\*Join our “H.o.P.E.” to “H.e.L.P” all life on Earth Disclosure “MOVEMENT”\*\*\****

NOW with the publication of this booklet and soon the publication of the full book version (aimed to be available for publication in all major languages worldwide), I am asking all our worldwide healing pyramid energy public disclosure MOVEMENT members, to post the following now more clearly stated movement member invitation CLIP:

***“Join our FREE ENERGY Healing PYRAMID Energy worldwide public disclosure MOVEMENT to heal and save Earth . . . and all life forms on Earth. Read and share our FREE full disclosure booklet at: [Http://GoldenKeyLibrary.info](http://GoldenKeyLibrary.info).”***

You and I and all movement members can post this clip at any and all of our individual social network pages, at our websites, and even as small ads in local small town

newspapers, posted on bulletin boards at stores and laundromats, etc. Post this anywhere and everywhere worldwide.

I posted my initial above clip on my two Facebook pages and on Twitter on April 1, 2013, but be assured, I am now posting this new CLIP every single day on my current social networks and new ones from here on out at Facebook, Twitter, etc., and I plead with you to begin doing the same ASAP.

Enjoy the feeling of this powerful thought....

“We the people” collectively will soon call for and demand with much might and vigor that government leaders or officials **MUST** and **WILL** comply with our insistence that healing pyramid energy structures be built everywhere from our town to county, regional, state, national and international locations.

We can do it.

So be it.

## *Chapter 8*

### *Pyramids Offer Path to a Golden Age on Earth*

I feel confident that you and most other readers of this booklet have a deeper, clearer insight into how our worldwide major media system is CRIMINAL and needs to be taken into public account for failing to widely DISCLOSE clearly and fully what YOU and I and a rapidly “gathering mass” of now quite awakened humanly embodied souls now KNOW.

I KNOW WHAT and HOW healing PYRAMID energy can relatively cheaply and effortlessly rejuvenate and restore a brightly blooming radiant “youth and vitality” to our entire planet and all precious Kingdoms of Life upon it.

That includes you, me, and our loved ones, and all the vast human family who are awakening.

Healing pyramid energy structures clearly offer us all a sure-foot path into a Golden Age on Earth.

For most of the latter decades of my life, I have done what I love and loved what I do as I am doing now in scribing this *Healing PYRAMID Energy Worldwide Public Disclosure* booklet.

“Ask and you are given,” so I am asking for the support of each and every one of you who read this booklet to help

DISCLOSE what we thankfully all now know and can share with others.

Please DO share this FREE booklet—and all of the added material of later full size book version you have privy to—with everyone in every possible way. Thank you.

I also hope and pray you will be a passionate, greatly inspired or highly motivated and dedicated daily full-time or part-time Healing PYRAMID Energy Worldwide Public Disclosure MOVEMENT member—hoping you too are doing “what you love” and “loving what you do.”

WE can DO it.

## *Chapter 9*

### *Fill Your Home and Backyard with Pyramids*

**M**eanwhile, I repeat again—for emphasis:  
*Fill your home and backyard with various  
size and forms of healing pyramid energy  
structures.*

The construction of a pyramid is so simple, easy and swift especially when made from cardboard or wood of any size or angled shape or the pyramid height you desire.

Any older child or adult can do it, so there is no reason or excuse for not building one, two or more at least indoor pyramids ASAP while reading or soon after reading this entire booklet.

My first pyramid structure was made of paper by cutting four exact identical shaped pyramid sides then simply scotch-taping the four triangular shaped pieces together from each base to the top of a second, third and fourth identical paper pyramid side and “walls.” It stood up as a perfectly shaped pyramid to my great delight.

Since I already then knew the “higher” the pyramid the more powerful, so rather than using the Great Pyramid medium angle shape, I made mine taller and higher like the higher angle ones the Russian scientists built and used in their array of well-documented pyramid research and development projects and experiments.

I immediately sat my first personally created pyramid structure on a nearby table to what I guessed or “thought” was a near square true north alignment.

Since then I made several larger stronger pyramid structures from cardboard and I plan to build heavy copper wire (coated or uncoated) or copper pipe metallic pyramids that I can set easily and accurately and effortlessly to magnetic north with the fine magnetic compass I bought.

I will surely erect a big, tall, wider one outside in my backyard where I will sit through the warm summer in the silence during my daily quiet times or meditation times.

In my outdoor pyramid, being huge and continually working FREE day and night at no cost, I will also set food, water, and health supplements or charge up crystals or granite stones with nature's pure totally FREE powerful healing pyramid energy to share with family members, neighbors, and friends.

What FUN.

My first daily priority, other than compiling and posting my daily FREE worldwide email “Message from Michael Worldwide Newsletter” to my long-time thousands of subscribers (normally 7 days a week), is to complete this FREE Healing Pyramid Energy worldwide public disclosure MOVEMENT booklet. Then, of course, to complete a full size FREE ENERGY *Healing PYRAMID Energy Worldwide Public Disclosure* MOVEMENT book offered for publication in all major worldwide languages.

I know that many if not most of my dear thousands of long-time FREE email Newsletter subscribers (some have now been grateful subscribers for nearly 2 decades) will enthusiastically “leap” to help launch our initial swiftly needed collective, worldwide public disclosure MOVEMENT. Many, if again not most, will be steadfast, staunch, active worldwide healing pyramid energy “sung” or “unsung” disclosure MOVEMENT members.

Likewise, DITTO for my now more than six hundred worldwide lightworker email LIST HOLDERS.

One prominent list holder, the very dear, loving Stacey Robin, the founder of the worldwide “GO Gratitude” Lightworker community, has a list of more than 100,000 subscribers. I feel Stacey and many of her Lightworker GO GRATITUDE members will do all they can to help us launch our vital pathway to a Golden Age on Earth via our Healing Pyramid worldwide “disclosure” member MOVEMENT.

Will you thoughtfully and kindly do the same?

Again, I am asking all readers to immediately start posting the below clip in their own unique language on their own Facebook, Twitter, LinkedIn and other internet social networks. Here again is the suggested CLIP:

***“Join our FREE ENERGY—”Healing PYRAMID Energy worldwide public disclosure” MOVEMENT—to heal and save Earth . . . and all life forms on Earth. Read and share our FREE full disclosure booklet at: [Http://GoldenKeyLibrary.info](http://GoldenKeyLibrary.info).”***

Hopefully, we will soon have translators of the FREE booklet in all major languages by enthusiastic volunteer translators and in a score or more of other published languages of the full size book.

Please do all you can possibly do to alert as many as small and large groups and organizations of women and men “of good will for all” in your very own local regional and national countries worldwide encouraging others to do the same.

What we sow we reap absolutely is true by Universal Law.

So please understand that by the Law of Oneness, all that is beneficial to you is also beneficial to all sentient life forms in all Creation. More specifically, relative to a continuous perpetual flow of FREE healing pyramid energy to your own dear family of loved ones or to your wonderful duly “informed” friends and neighbors.

I have repeated often in my now nearly 40 published books, for I know it is true: any thought, feeling, or act you think or do that is beneficial to you is, by the Law of One benefits and extends to all those on Earth you interact with whether near or far. This also is “spoken to” often by David Wilcock, Dr. Patrick Flanagan, and other such highly enlightened humanly embodied souls,.

This means by free will and the “Law of One,” that first Absolute Law of Nature created by the One Prime God Creator of All That Is, you can forever specifically choose as you wish via free will what you truly desire. There is literally “nothing you cannot be, do or have” as addressed in one of my “FREE read” books by that same title in the English language at our Russ Michael BLOCKBUSTER Book Team Golden Key Library web site.

Erecting or possessing and utilizing at least one or several pyramids now provides us each and all with a wise practical down-to-Earth way of wisely, thoughtfully, lovingly helping

yourself, your own dear family members and far or nearby other unique known or unknown sentient life forms on Earth.

### *Help Build Local to International Healing Pyramid Structures*

**S**tart working with others to build local, regional, town, city, country, state, national and/or international healing pyramid energy structures.

By now you must fully realize if humanity on Earth waits for governments on any level, world figures and world

leaders to help move itself out of our long centuries held iron-grip control by the dark Military Industrial Complex, that wait would be forever.

Countless awakened Lightworkers know that major governments worldwide and major world figures either do the bidding of our today controlling dark cabal forces or are assassinated or subtly removed, and replaced by world figures and government leaders who will do what the dark world controllers commands and enforces.

Why do you think Abraham Lincoln and the Kennedys were assassinated, or the late Hugo Chavez who was subtly assassinated via a lethal dose of cancer he discovered far too late?

That was then and this is now.

A bright new Heavenly Light of multitudes of hidden agendas are being DISCLOSED now—bursting forth and inevitably exposing all forms of darkness on Earth, in all walks of life.

Darkness cannot exist within the light of transparency or in the continuous daily brighter and brighter “light of knowledge” as deep, dark, terrible, hidden secrets require absolute Major Media control worldwide.

As more light that shines ON WHAT REALLY GOES ON, the World Controllers lose more and more of the rigid control needed over worldwide major media to “hush up” their horrible dark secrets.

Light is the shining brilliant purity of love when perceived from another fully valid personal perspective, whether it comes from our SUN or from YOU or any “whistleblower” as the “light of disclosure” . . . thus also is perceived as the light of knowledge.

The LIGHT and love on Earth is now more DOMINANT than the DARK, and fear slowly is being transmuted on Earth. This is a literal, obvious and clearly perceived fact not a wishful thought. The dark OLD ways and means of war, terror tactics and brute force by the Worldwide Controllers is diminishing perceivably.

There now is an ever-glowing brighter and brighter light of transparency as disclosure of all things hidden is on the rise daily.

As was prophesied by one of many seers in REVELATIONS, “The “secrets” will be shouted from the rooftops.”

When duly translated into our “end times” 21st Century jargon, “roof” means overhead—the high-tech antennas on our roof tops or satellites above, are NOW broadcasting, disclosing all kind of “secret dark” past and present agendas via TV, Radio, and Internet. Blessed are we.

So be at peace, The “BEAST” is already well into its final last “death throes.”

And so how does constantly flowing FREE healing pyramid energy worldwide public disclosure become a

mighty, collective invincible force for the true good of all life forms on Earth?

Fortunately, dedicated “way-shower” Lightworkers on Earth have learned, demonstrated, and disclosed how gradual or suddenly transforming new paradigms for the better are achieved; an active, common sense way how our meek 99 percent can almost effortlessly, collectively defeat the seeming ultra elite, powerful, small one percent band of World Controllers on Earth.

Ponder this please.

All successful world-changing “social betterment MOVEMENTS”—as the famed seer Edgar Cayce knew, explained and emphasized strongly more than eight decades ago—must start from a one-to-one “grass roots” base.

This soon branches continually out into endless often very tiny groups of two to nine or so that eventually, by the Law of One, naturally ALL converge at a critical mass point, to be a huge, collective, unstoppable town, city, regional, national or worldwide “we the people” force for GOOD (for GOD) on Earth.

Got it?

In time one local FREE healing pyramid energy worldwide public disclosure MOVEMENT member anywhere on Earth soon becomes two or three well-informed dedicated members who intentionally branch out to become 5, 10, 50, 100's, thousands, etc., and ever more locals who

gradually branch off into other such small groups nationwide or worldwide.

This powerful, worldwide ever daily growing collective—will grow steadily to reach a final, natural, powerful bursting “critical mass” saturation point of a fully conscious convergence into ONE united force for invincible GOOD (invincible GOOD) on Earth.

Ponder it. Is not the ONENESS of All That Is evident in this growing grass roots movement for GOOD?

As each one movement member or slowly or rapidly growing small movement group gathers momentum forward, the whole movement gradually grows and grows worldwide eventually becoming a larger and larger unified collective, at each local, regional, National and finally, at a fully active, very effective International MOVEMENT level.

NOW, elatedly “knowing what you know” why waste another valuable day on Earth—doing nothing or not more than you can—to relieve yourself, your loved ones, your family, your friends or your neighbors and our dear so very long suffering, formerly bright green now so highly polluted, Mother Earth's dirty lands, waters and sky atmospheres?

Will you perceive and admit you truly are more “enlightened” by what you have know learned about FREE healing pyramid energy, that our dear brother Dr. Patrick Flanagan's updated PYRAMID POWER started today?

Will you truly now stand this day in a mighty, self-empowered, truly well informed human body, soul and mind “position” of knowing more fully our dire World Controller problem? You, me, and other awakened movement members, can unite via social media systems to help actively, jubilantly, steadily solve the subtle, unseen, hidden dark “control” situation rapidly, joyously and victoriously.

Soon many elated locals will be well informed, greatly enlightened, self-empowered and well able to hold and carry all the powerful, one-minded, collective local group power needed to get the quick, full attention and compliance of your local town or city mayor or national leaders.

In due time I assure you, by following this above outlined single-minded, totally determined grass roots worldwide healing pyramid energy disclosure growth process, we can and will pave the way to our Golden Age on Earth.

Our now finally awakened ,passionately begun—long overdue, worldwide collective human healing pyramid energy “movement,” will soon celebrate with family, friends and home neighbors jubilantly, erecting a stunning array of tall, powerful, healing pyramid energy structures—all around where each and all of us locally live.

In the course of due time we will create the demand for countless mighty, very tall, massive, healing pyramid structure peaks towering everywhere around almost every town, city, state and at national and mighty powerful collective INTERNATIONAL levels.

Hold that divinely glorious IMAGE vividly in your heart soul and mind so much that “you can taste it” with me, please.

In the upcoming chapter, you will find more guidance on how you can personally become a high-powered “Whistle-Blower” by joining and being an active caring, sharing, unsparing “sung” or “unsung” member of our Healing PYRAMID Energy Worldwide Public Disclosure MOVEMENT.

'nuff said. Let's do it!

So be it. WE are ONE.

## *Chapter 11*

### *Be an ACTIVE Healing Pyramid Energy “WHISTLEBLOWER”*

**I**t is the conscious, active whistleblowers all across the globe in many walks of life who are concerned for the greater welfare of all humanity, now embodied on Earth en masse, that has shone (shown) the sudden bright Light of Knowledge into dark places.

Whistleblowers on all walks of life are paving the path to a brightly lit new world where the practice of transparency

and TRUTH in all matters must and will lead all Humanity into a genuine Heaven on Earth Golden Age.

Because of your and my natural Divine heritage as “offsprings”—extensions and expansions—of our ONE Prime Creator GOD of All That Is, your or my single focused, coherent human mind is powerful enough to change and even to create new worlds.

So what happens when a large worldwide group of human souls unite as one mind focused cooperatively on the same fully, mutually agreed positive greatly desired “outcome?”

I know for sure! Mighty, uplifting social changes occur.

As related by David Wilcock on page 133 of his book, *The Source Field Investigations*,” as documented by a group of social scientists, when a group of awakened people focus their minds on the same thought-form IMAGE such as, “A day of peace on Earth,” miracles did and do occur.

In one of several such fully documented scientific experiments, seven thousand people who meditated on the exact same thought of PEACE worldwide at the exact same time in their various locations on Earth successfully reduced terrorism worldwide by 72 percent for that entire day.

Several follow-up experiments also very well documented by the same group, other highly motivated groups soon followed with the same incredible, calming, worldwide earth changing results.

## *Chapter 15*

### *Building Your Own Pyramids*

**A**LWAYS REMEMBER: there is a vast difference between *true north* and *magnetic north* pyramid alignments.

If you use non-conductive materials in the construction of your pyramid, it must align squarely with true north.

Five basic, low-cost and easily available non-conductive pyramid structure materials are paper, cardboard, wood, plastic and Styrofoam.

When using metallic structure materials your pyramid must align squarely with magnetic north.

Any metal such as titanium alloy, copper, iron, steel, and even aluminum tubing, rods, or wire all conducts electricity to a greater or lesser degree. Titanium alloy is best.

Dr. Patrick Flanagan stated to me personally that titanium alloy is the most conductive metal and he uses it in designing and manufacturing his own pyramids.

All you require are eight basic pieces fitted together to build your own pyramids.

Four of the eight pieces (even copper wire pieces coiled around all eight pieces for metallic pyramid construction) of the exact same length forms your exact square pyramid base.

The other four pieces will form the Golden Mean ratio pieces that angle up from each corner of the pyramid base to naturally meet together to form the midpoint top of your pyramid.

To make certain all pieces are the exact needed Golden Mean ratio, use the table below to choose the size of your square base. The size for the upright, angled pieces are also given.

For example: if you select a 10-inch perfect square as the base, the angles up from the floor level of the base must measure exactly 16.2 inches. This is the Golden Mean ratio from the floor to the exact midpoint TIP.

If you are constructing a metallic pyramid, you will also need a good magnetic compass. Set your pyramid to an exact square magnetic north alignment. BINGO! It is ready to utilize.

IF is it non-conductive material, it must be set to true north.

**Golden Mean RATIO Size “SET” (Russian “High Angle” Pyramids)**

Use whether inches, feet, yards, or meters ... are computed for any ONE BELOW Golden Mean ratio “SET” of four poles from each companion Golden Mean ratio SET choice posted here below.

Sq. base line length - - - Angled line length from corner base to mid-point at pyramid TIP.

Sq. Base Line Length	Angled line length
10	16.2
100	162
50	81
25	40.5
12.5	20.25
6.25	10.125
3.125	5.625
1.5 + 0625	2.54 + 31.25

ALSO WORTH REMEMBERING: The taller the pyramid the more powerful.

There are three basically different “looking”—and different angled for different intended purposes—pyramid structures.

- 1) The Middle Angle Cheops Great Pyramid in Egypt is angled up about 45 degree from the square base four equal side corner points as they angle up to an exact midpoint merger of the pyramid TIP above.
- 2) Russian scientists use the Higher Angle taller looking about 60 degree angled pyramid—as opposed to the “middle” Cheops Great Pyramid that angles upward from the base to about a 45 degree angle to the midpoint.
- 3) While some of the squat Low Angle more square mammoth South America “lower” pyramid stone structures are angled at about 20 degrees without having a pyramid tip as most of the other 10,000 known pyramid structures on Earth.

You may want to re-read user testimonial “how to” reports on proven healing pyramid energy benefits transferred to any food, water, wine, coffee, medicines, crystals, granite rocks,- fruits, herbs, health supplements, ad infinitum.

**Golden Mean RATIO Size “SET” (Medium Angle Great Pyramids of Egypt)**

Use whether inches, feet, yards, or meters ... are computed for any ONE BELOW Golden Mean ratio “SET” of four poles from each companion Golden Mean ratio SET choice posted here below.

I know the Russian “Higher angle” pyramid is more powerful, but I want readers to know how to construct the Cheops Great Pyramid of Egypt design.

Bob Towers said his 9 ft. square base copper pyramid is built to exact PSI Golden Mean ratio for the 52,001 degrees CHEOP angle slant.

Sq.base line length - - Angled line length from corner base to mid-point at pyramid TIP

<b>Sq. Base Line Length</b>	<b>Angled line length</b>
4.5 ft.	3.5 ft.
9 ft.	7.3 ft.
18 ft.	14.6 ft.
36 ft.	29.2 ft.
72 ft.	58.4 ft.

#### IMPORTANT USE FACTORS

TWO key factors must be taken into account to obtain valuable maximum PYRAMID POWER healing energy USE effects:

The angular height above a pyramid corner base level to the pyramid tip and the interior volume within the pyramid space structure.

- 1) Objects or articles must be placed as near as possible one-third of the way from floor or ground base to the tip. (Like the King's Chamber is in the Great CHEOP PYRAMID in Egypt.)

No concern: Angular line length is easily measured from any floor base or ground level base corner of the pyramid to the pyramid tip then divided by a 30 inch measured angular Golden ratio line length indicates objects get highest healing energy charge when placed at that 10 inch angular height from floor or ground level of this pyramid.

Again very easy to figure: Simply measure down 20 inches from pyramid tip point to a point 20 inches down on each one of the four corner lines - place a dot there - draw 4 straight line across from dot to dot and you have the exact angular height (which will of course be a measure lower than a straight up 10 inch height from the floor or ground level).

Dr. Patrick Flanagan stated that if you take the square root of 5 and divide it by 2 you have the height of the King's Chamber. [1.1180339887]

- 2) For maximum pyramid healing energy, any charged object ought use up 5 percent or less of the volume of the interior space of any given pyramid. Said another way, charge is more laser-like focused if the object occupies one-twentieth or less of all of the interior

volume within any pyramid space structure used.

This is a good reason to build or buy larger and taller structures since you receive far more ever FREE flowing healing PYRAMID POWER. Of course, to have plenty (or more than plenty space)—following the one-twentieth interior volume ratio space displacement rule—you will have extra room to pyramid “charge” healing energy into EXTRA crystals, granite rocks, etc. as COSTLESS precious loving healing gifts to family and friends if you choose.

Learn all you can about HEALING pyramid ENERGY USE.

Remember you can find a myriad of PYRAMID USER testimonials posted at any of the swarm of pyramid user WORLDWIDE Website sources that you can easily “Google” on the Internet.

Do not forget to place your garden seeds - house plants and place granite rocks among your garden plants after being charged up in the healing pyramid energy field (King's Chamber) of your larger size pyramids - as well.

Here's a recent correspondence with Bill H. who just built his own Pyramid:

\*\*\*\*

Bill H. wrote:

**Dear Mr. Russ Michael,**

**Yesterday I spent the day building a pyramid out of PVC pipe based on the specs in your FREE pyramid book and it looks pretty good. I lined the pyramid up to as true north as possible as per a compass. I'm wondering what is a test I can do to know that it works? I did put water in the center of it over night, I was thinking that the water would change based on the video, where the person hit the bottle it changed to ice, I am now guessing the water only changed because of the cold temperature it was in at the time in the video.**

**Is there a way to know that it works? I'm not 100% sure that I have the pipes going up 100% precise.**

**I look forward to your reply.**

**Warm regards,**

**Bill**

**Russ Michael responded:**

**Dear Bill H.,**

**I am learning about, gathering trustworthy INFO about pyramids, Patrick Flanagan knows so very much through his own research, but from what I read here . . : IT SEEMS you might need to do more "homework" in re-reading the FREE booklet.**

**Plastic, wood, cardboard, non-conductive PC pipe material, etc.---according to Patrick---is more powerful than metallic MATERIAL CONSTRUCTION however must be set to straight square TRUE North. (Perhaps, except when using expensive Titanium allow material, with then your Pyramid set square to MAGNETIC North)**

**Do know and remember that MAGNETIC North is a far. far different alignment than TRUE North.**

**True North Worldwide Atlas**

**<http://www.astro.com/atlas> (Longitudes & Latitudes)**

**Metallic pyramid structures are easy to line up in perfect alignment to MAGNETIC North as the compass hand points directly straight to it within 1 degree!!**

**You need to go to the website posted in the above to get the exact Longitude and Latitude setting for a perfect square TRUE North in whatever city, or town big enough to be listed worldwide, that is included in this ATLAS listing of Longitudes and Latitudes for cities, towns, etc. worldwide.**

**Patrick Flanagan is ultra busy daily---as I too am now--  
-with my full size pyramid disclosure book rendition,  
but he might have a FREE moment to respond to you---  
SO I will CC this email to him---but DO NOT count on  
a reply from him.**

**I have a good magnetic compass, but I too, have to stop to figure out how I can compute my exact alignment in the small village I live at here in Austria. I went to the website site and got my Latitude and Longitude reading on Vienna, 200 miles from me, and then to another small "town" only 4 miles from me here in Austria, but I have been far, far too busy to stop my work and try to figure out what my exact reading alignment---via using my Magnetic Compass, must BE---before my 3 large cardboard ones will be set to an exact---hopefully within 1 degree---of TRUE North alignment of my home location....**

**Meanwhile, i have them NOW set temporarily to MAGNETIC North, just for the FUN of it.**

**I am determined to "help others worldwide en masse first" via the wide publication and reading of my FREE**

**booklet and the completion and publication of my full size book in many languages---before I pause and take or make the time to "help myself" for when a single "other" benefits I KNOW . . . in the ONENESS of All That Is, I too, and my beloved ones benefit.**

**GOOD work. And good luck with it. Blessings and love. I am, Russ Michael [Age-Reversal@aon.at](mailto:Age-Reversal@aon.at)**

AGAIN ALWAYS REMEMBER there is a vast difference between TRUE North and MAGNETIC North pyramid alignments.

If you use non-conductive materials in the construction of your pyramid it must be aligned squarely with True North.

**Homemade** “meditation size” pyramid **Bill Hanoski**, in Canada. Created out of low-cost PVP pipe in two days and set to True North, after reading the “how to” instructions in our **FREE** downloaded 107-page pyramid disclosure **MOVEMENT** booklet. (Obtainable at this **MOVEMENT** website:

Bill currently reported he has also been experimenting with building a copper pyramid (set directly to Magnetic North); Bill wrote, “When I have the top of the pyramid

completed, I will send you a picture to show you how it looks. He continued, “Yesterday I put a crystal on the top of the copper pyramid and **WOW**, my head started to tingle and energy was running through my body; it was amazing! Prior to that, I only felt a small amount of energy- in comparison.”

### *Pyramid Personal User Testimonials*

Note POST from Pyramid of Life Inc.

Only a small portion of thousands of testimonials received from users of our pyramids, water and pyramid matrix, scientists and specialists are presented here on our website: <http://www.pyramidoflife.com/> Email - [info@pyramidoflife.com](mailto:info@pyramidoflife.com)

#### **Georgiy Grechko, Russian Astronaut**

I have visited many pyramids in many countries around the world, but after visiting Golod’s largest pyramid, my grey

hair became darker all of sudden. Alexander Golod is the only one who is not simply researching pyramids, but is also using them for practical benefits.

**Valarily S., Toronto**

I was about to undergo an operation for removal of kidney stones. I had to wait a few months and so I decided to try pyramid matrices. In a few weeks I had sand coming out with my urine. The process was long. When I went it for a test, it determined that not only kidney stones were gone, but cysts on kidneys as well. You can call me and ask me anything you want, but my family and myself can no longer imagine our lives without pyramid matrices and our mini-pyramid

**N.P., 46 years old**

Complex fracture as a result of a car accident affected my entire life. It was a miracle I survived it. 1.5 years doctors were “gluing” me together piece by piece. Permanent disability was being considered. The Great Maternal Pyramid gave me back my normal life.

**A. Polosov**

I felt that the power of mini pyramid helped enhance my immune system. Before, I had flu and therefore I decided to test pyramid meditation. My flu was gone after 3 hours.

**P. Gofman**

Five years I have been suffering from migraine. I could not find doctors who could help me. Therefore, I came to the Mental Health Care Community Center, where I met good specialists. They offered special program of treatments for me. My migraine was gone after four months. Now at my home and at my office I use mini pyramid and matrix for meditation. The result is a state of absolute inner freedom.

**Frenica Benalucci, Milan**

I work as representative of my company in Moscow. Have been using pyramid water for six weeks. After returning back home I kept explaining to friends and family that did not undergo any cosmetic surgeries and have been using only pyramid water. I definitely look younger and feel great.

**Prof. M. Grosman, director of medical center “Pyramid”**

For more than two years, we have been conducting clinical studies on more than 5,000 patients who were visiting medical center “Pyramid”. We were also placing medicines inside the pyramid. We did not get any negative results. Medical remedies, which were inside the pyramid, significantly amplify their effects.

**Claudia S., Florida**

I’m 80 years old. For over 40 years I was suffering from headaches, which was located in the right side of the forehead after I got sick with virus flu. None of the painkillers worked. I decided to try the effects of the pyramid water and matrices. What a miracle! I can’t express my joy without tears, as after

2 hours of keeping a matrix on the most painful spot the pain was gone. I have been using pyramid and matrices for the past 6 months, and I drink pyramid water. My blood pressure has stabilized. It was 180 – 220 and now, even using the same medications, it's 120 – 135. I lost 10 lbs. I'm not on any special medication or any kind of diet. Every spring, when trees were blooming, I was suffering from allergies. This year I had no allergic reactions even when eating fruits, to which my organism was especially sensitive. Thanks a lot.

**Nadia Zinchenko R.N.C.P., D.N.M.**

I have been working with Alexander and (his son) Anatoli Golod for over a year. We have formed an International Partnership for Pyramid Research and we are trying to make known to the entire world the research findings on the Russian Pyramids. I have appeared on many national radio programs to talk about these pyramids and the research. In fact, I have done several live radio programs with Anatoli Golod from Moscow. I am also including a major section in my book, which will be published this year on the Russian Pyramids. It is my opinion that this research has the potential of changing our world for the better.

The research was done by the most prestigious institutes in the former Soviet Union, including many branches of the Russian National Academy of Sciences. I am convinced that these effects that are reported are real and will be reproduced by other institutions. I am also working with the Ukrainian researchers who have been studying these pyramids. I have devoted a large part of my time in promoting this work and

encouraging peer review and additional studies to confirm these results. The benefits for medicine, agriculture, and ecology, to name just a few areas are tremendous. I hope together with the Golod's we can continue to do research and confirm the results obtained so far. John DeSalvo, Ph.D., Director of the Great Pyramid of Giza Research Association and Co-Director of the International Partnership for Pyramid Research

From December 15, 2001 to October 10, 2002 in collaboration with Pyramid of Life Inc. we were conducting research to determine the effects of geopathic zones on various illnesses. For the research we were using mini-pyramid of Alexander Golod, pyramid matrices and pyramid water created according to Alexander Golod's technology. During this period we have researched 37 homes of our patients, who were suffering from migraines, insomnia, fibromyalgia, various chronic colds, various types of arthritis, etc. In each case we discovered that patients were living in geopathic zones for long periods of time. In order to locate these zones we were using a special device called IGA-1 – indicator of geopathic anomalies.

Geopathic zones were disappearing within 5-6 minutes after we were placing a pyramid in zones' centres. After neutralization of geopathic zones, people who lived in these houses, were feeling much better. Many unpleasant feelings, such as insomnia, migraines, muscle aches, etc. were gone. Results of the research are confirmed by tests and measurements by Dr. Voll's method and by various medical tests. Also, using Dr. Voll's method we were able to check

how pyramids enhance naturopathic remedies. Using German device Kiddling-2000 we checked remedies before and after they were placed under the pyramid. Remedies, which were under the pyramid for some time became more effective, compared to the same remedies, which were not influenced by the pyramid. Alexander Golod's pyramids are the natural, inexpensive and effective way of harmonizing space and neutralization of geopathic zones.

At first I was skeptical about the advertisement, because in the beginning I could not explain to myself how the pyramid “works”. But then I noticed, that water in a jar after one day under the pyramid became viscous and dense, as if you are pouring water, which was in a freezer. And that means, that pyramid “works” regardless of whether we can explain it or not. When I had angina, I gargled with that water and angina went away. - Once was enough. - Once, when I burned my hand, I placed it under the pyramid as I was advised to do, but was unable to hold it there for a long time because I was feeling a stream of hot energy, which was so strong it was burning my hand by itself. I tried it a few times, but could not hold it there for more than 5 seconds. Which means it works! I place small plants above the pyramid and they “heal” by themselves. Everyone has to try it and everyone will get their own results. Even if we cannot explain something, it does not necessarily mean that it doesn't exist.

**Arkadiy Levinski, M.D.**

Dear Pyramid of Life Inc! I would like to share my impressions after using pyramid matrices, of which I learned from an ad in a newspaper. I obtained more detailed information after a phone conversation with the company's president, Edward Gorouvein. One of my relatives and several of my patients, suffering from unbearable joint pains, who had tried various healing methods (physiotherapy, acupuncture, massages, injections), acquired pyramid matrices. After one month their pain diminished so much, that they were able to move without canes or wheelchairs. The results became more apparent after 1-2 weeks. The matrices were especially effective when used in pairs – one on opposite sides. Some strange and unexplainable (at least, to me) phenomenon was taking place. This phenomenon deserves special attention and further research and dissemination, which will help shed light on a new discipline in science and medicine, in particular, helping people fight various illnesses, sometimes even avoiding surgical operations. Best regards,

**V.K.**

I'm dealing with a powerful form of electromagnetic pollution. I've tried various types of devices for protection against electromagnetic radiation. Your products are completely harmless, compact, convenient and, what's more important, very effective.

### **Tadeush M., Montreal**

After many years working as a truck driver I started having back problems. I thought of quitting my job. I tried matrices and to my surprise they helped. A few months later I bought a mini pyramid. Now I have my own business, which has been my dream for years.

### **M.K., Tel-Aviv**

... got rid of many women's problems. These things (matrixes) are really a miracle. M.K., Tel-Aviv

### **Vera, Milwaukee**

After working for 8 hours daily in front of a computer my son started getting headaches, his vision got worse. It took me a long time to convince him to place pyramid matrix on his computer. Finally a tremendous relief came. Now we are all using pyramids and matrices.

### **Karl, Czech Republic**

In the past I was a professional athlete, a volleyball player. After tearing my Achilles tendon, I was forced to quit sports. But my injured leg was always bothering me, especially at nights. A few days after I started using pyramid the pain had diminished. It's been six months and the pain in my foot is gone. My sleep has normalized. Thanks to all the pyramid creators.

### **Dr. Oleg Grube**

The matrix helped me get rid of intestines inflammation.

### **Elena, Toronto**

Thank you for the pyramid and the matrix. I learned about incredible properties of the pyramid from newspapers. And I was glad to know that many people believed in healing abilities of the pyramids and helped tell the rest of the world about them. And now about my own experience. My organism has many deviations: bronchitis, anemia, gastritis, pielonephrit, colitis, and arthritic rheumatism. And for the past 5 years my lower back problems have worsened as well. Apparently the vertebrae have shifted. It was awful - I am an independent person my nature, but I had to rely on someone else even to go to the washroom. I started having chest pains, but wasn't looking for any remedies. But when matrices showed up, it all changed.

After a couple of months I was able to do simple exercises without anyone else's help, I started taking morning walks, did some tai-chi, then signed up for yoga class. Any physical exercises I tried before were deplorable. The first time I put a matrix on, I could not keep it on for more than two hours. Chest pain had increased. I could tolerate it, but I was afraid. Decided to do it gradually. Then put it on after a few hours and took off already 6 hours later. Then night came and I slept better. After a week and a half the chest pain went away. I was changing matrix placement all the time: chest

during the day, kidneys during the night, lower back in the day and heart for the night.

The sensations varied. In the beginning I was feeling light prickling in the areas of matrices. After an hour I was beginning to feel a growing power as if it concentrated in the sore spot. The result was so incredible, that after one week I wanted to place matrices all over my poor body. I would like to say that pyramids and matrices not only correct deviations, but also increase the overall vitality of the organism. Of course, they are not a universal panacea, but they help organism to tune onto the Universal wave of harmony and help us live and work in unison with the cosmic energy. In our house everyone wears a matrix. My mother is 71 and she has many illnesses, mostly problems with heart, kidneys, and varicose veins, etc. She has not taken a matrix off in more than a month and she feels great. We charge water under our pyramid and everyone drinks this water and uses it to make coffee and tea.

I also wash myself with the pyramid water. People, who have not seen me in a few months, ask me if I just came back from a vacation or if I started using new cosmetics. They say I look younger. And I can see for myself that the color of my face and the skin texture has improved. Since I put two matrices under my sons' pillows, they stopped complaining about bad dreams and restless nights. Actually, since matrices and the pyramid in our family, some changes took place. I live with my two children, my husband and my mother. Everyone has attitude, and we had enough nervous breakdowns. And now it's peace and quiet. Everything is

discussed in a calm atmosphere. I want to say thank you for your help. I hope the others, who know, are also grateful.

**M. Damien, Registered Nutritional Consultant,

Golden Section Pyramids harmonize energy fields around them. With the help of muscle test (kinesiology), we can measure a relative level of the pyramid energy field. By the exponentially increasing scale of 1 to 1000, where death is 1, love is 500, peace is 600, and full enlightenment or God's energy is 1000 (see "Power vs. Force" book by David R. Hawkins, M.D., Ph.D.), ceramic pyramid was measured with a level of 599, and crystal pyramid with a level of 520. Even within a 3-meter radius the ceramic pyramid was measured with a level of 515, based on the above-mentioned scale. Pyramids can amplify your thoughts, your intentions in order to help you achieve what you desire in health and other areas of your life. It is wonderful to have a pyramid at home. There are so many ways of utilizing it or to have it simply as a friend, who can cheer you up while boosting your energy level.

**Nickolai, winemaker**

The wine placed inside the pyramid for 30-60 days shows amazing results in comparative tests. Wine tasters always notice wine from the pyramids because of its unique taste and aroma.

### **Michael and Natalia S., Toronto**

Our problems began after we moved into a new townhouse. I started having back pains, insomnia, and my wife started having migraines and heart arrhythmia. She bought a super mattress, but it did not help. Visits to the doctors did not help either, decreasing pain only temporarily. We started thinking of selling the house. My friends suggested I turn to Pyramid Of Life for help. Inspection of our house with a special device revealed a presence of a powerful geopathic zone. Mini-pyramid installed in our house solved our problem, which seemed unsolvable. Thanks a lot!

### **Hans Brunner, Professor of Geophysics, member of the European Dowsers Association**

Development of a device for detection of geopathic zones will undoubtedly lead to a revolution in dowsing.

### **Vasiliy T., Sacramento, CA**

I am a truck driver. This lifestyle does not provide a lot of movement. Thus, excessive weight and 6 months ago I started having prostate problems. Used matrices and pyramid water for two weeks and all the unpleasant symptoms have disappeared and even my weight dropped by 4 lbs. Incredible, but it's a fact. Thank you very much.

### **The N. Family**

10 years of a happy family life were shattered after our move into a new condo. We were suffering from nightmares,

constant fatigue, depression, and my husband even had hallucinations. In the beginning of this year our relationship was so devastated that we started considering a divorce. My husband started sleeping in our living room and suddenly started feeling better. This prompted us to call your office. We have no words to express our gratitude. With best wishes, the N. family.

**Georgiy K., Kansas**

Thank you, thank you, a thousand times! I spent lots of money on various filters, but NEVER have I experienced such effects as I have from the pyramid water. My health was declining and with my last hope I bought your matrices. Even after a week of drinking your INCREDIBLE water I started feeling better, fatigue and nervousness disappeared. After one month, my back, which was constantly nagging, stopped aching. In addition to my daily 3 glasses of pyramid water I bought another matrix and placed it on my liver. A month after that I saw a brown spot in that area, which quickly dissipated and my liver pains were gone. Your water is truly miraculous! Now we bought your pyramid and our whole family drinks the water. Health conditions and moods of my wife and children are improving in front of my eyes. Thank you! Please tell everyone to stop wasting time and start drinking your LIVE water.

**Mayor of Aradippou (Cyprus)**

Excerpt from a speech of Mayor of Aradippou (Cyprus) at the international symposium of geopathic zones problems

in Larnaka (Cyprus) in 1997. Dear Sirs! On behalf of the citizens of our city and from myself personally I would like to express sincere gratitude to the developers and creators of a unique device for location of geopathic zones, with the help of which we were able to solve the most important problem which disturbed us for the past several years.

This problem – significant increase in the level of mortality among children with leukemia in one of the areas of our city. Using this device we checked dozens of residential houses, 4 schools and 2 kindergartens and discovered the reason for high mortality among children with leukemia – the presence of a powerful geopathic zone, which was permeating through the above-mentioned buildings. Scientists' recommendations for protection against geopathic zones using pyramids were also effective, which was proved by medical tests. Once again, big thank you.

I've been smoking cigars for 25 years. I acquired matrices in order to store cigars without using humidors. I can't stop admiring the resulting effect. And besides, it's a lot cheaper.

### **No Name**

I'm 48 years old. I've been smoking for 30 years. I quit many times, but then would start again. A friend suggested I get matrices. I haven't quit smoking yet, but I smoke fewer cigarettes per day and I stopped coughing. What's also

incredible is that my wife became more tolerant of the cigarette smoke. No name

I'm 72. About 5 years ago I built a house-pyramid where I live to this day. Every year I go for medical check ups. Doctors can't stop wondering the state of my health and say that I have the youngest red corpuscles in town. And I feel even myself that I'm not getting older, quite the opposite. Before I was able to pull myself up 8 times on a horizontal bar, but I can do it 45 times without much effort.

**Richard, Florida**

I read a lot about meditation. A couple of times I was able to do something spontaneously, but when I tried meditating consciously, I was momentarily falling asleep (due to constant stress and not getting enough sleep). Using pyramid it's very easy.

**V. Curt**

As for me, I think that after pyramid meditation my depression and soul pain were gone.

**M. Robbins**

After pyramid meditation I have got the ability to see right and wrong sides if the life better.

### **Prof. Egorova**

We were conducting experiments on immunity of a live organism to various infections. Pyramid and matrix showed significant increase of immunity of a live organism to the most difficult infections (e.g. plague).

### **Lidiya P.**

Good day, Pyramid Of Life! My name is Lidiya. Two years ago my family moved to the USA from Belarus. It was not easy to start a new life. To top it all off, our health declined. Here are the symptoms I had: constant fatigue, hypertension, constipation, frequent colds, constant nervousness, loss of hair, significant weight gain. Everyone in the family was fighting and we were even thinking of moving back to Belarus. Fortunately 6 months ago I bought your pyramid and matrices. It's incredible, but everything is returning to normal and I hope it will stay like that. With great appreciation of your good deeds.

### **Delegation of monks from Tibet, Japan and Korea**

Dear Mr. Golod! Allow us to express our admiration and gratitude for your tremendous work noble cause in the name of all Earthlings. Your pyramid is the most harmoniously clean place, with ideal energy, that we have ever encountered.

### **A.K., 22 years, hockey player**

After difficult trainings I could not relax for a long time, which started to affect my playing abilities and most of the

time I was on the bench. But everything changed for the better after my brother gave me a mini-pyramid as a present. In the last season I have become one of the leading players in my team.

**E.P.**

Your water is a true elixir of life.

**Larisa A., New York**

I am writing to those people, who are still living in 19th century. I am writing to those people who like to “eat” 10-20 pills a day and who are thinking that the pills will solve their health problems. People, wake up! It is the 21st century and a lot of sick people looking for other than medication. My mother is one of those stubborn old-fashioned people who don't believe in something new. But when the doctor told my mother that she needs the biopsy on her lungs, suddenly she agreed to wear the matrix. In two months her lungs have cleared up and two doctors confirmed that.

My husband fell down the stairs and fractured his rib. He was in pain but refused to wear matrix. Finally when he couldn't move and was screaming from pain, he decided to wear the matrix. Next morning he was able to get back to work. This is my opinion that in the future the matrix and the pyramid itself will be widely used just like vitamins for example are used nowadays.

Worth repeating: “Each single added ONE pyramid built or bought erected and utilized anywhere globally adds

energetically and positively to each and all of us planetary-wide.

Each added new active unit of healing pyramid energy speeds the collective movement of each and all of us. Share your collective movement disclosure member desire, thoughts and moving images of our dear Mother Earth, soon resurrected to perhaps even surpass her historically recorded, original pristine, pollution free, vibrant, fully resurrected, heavenly Garden of Eden Earth state.

That same thought and image applies to your own, my own and your loved ones' divine human body age-reversal and the end of all disease and darkness within and around our sacredly purged humanly embodied Beings.

In due time I foresee us each and all as divinely gifted with endless time within perfectly healthful robust youthful human bodies.

### **DUE CREDIT: Final Note from Author**

Indeed, I will give full credit to my surely obvious by now passion zeal and zest—as a scribe to myself—for what I have expressed in this booklet heart soul and mind to each and all of you I love in the ONENESS of All That is.

Topping that, due credit is here given to the first introductory DISCLOSURE of the immense healing energy of PYRAMID POWER—introduced to our mass human consciousness on Earth by Patrick's bestseller book, *Pyramid Power* published in the early 1970s.

When I let him know I was writing this disclosure booklet Dr. Patrick Flanagan, the Man of Tomorrow, told me his out-of-print bestseller book *Pyramid Power* would soon be available again worldwide for my and your reading pleasure at Amazon.com. So make due note of that.

Please share the fact Patrick's classic book is available again NOW or soon will be at Amazon.com to your loved ones, friends and circle of influence, and especially to any other known healing pyramid energy MOVEMENT members worldwide.

Due credit is also recognized and given to David Wilcock, loved and known worldwide today as a profound, seriously dedicated Lightworker on Earth today. David dedicated two full chapters in his recently published 535 page

bestseller classic book, *The Source Field Investigations*, published by DUTTON, to pyramid research.

David Wilcock is an equally passionate believer as I and Dr. Patrick Flanagan in the dire need of putting the pressure on our major media and governments worldwide to “beat the drum” on how FREE healing energy of PYRAMID POWER can heal Earth and all Humanity on it. FREE ENERGY healing pyramids can lead to a totally rejuvenated fully revitalized, crystal clean, pure, truly—lovely green, green, green, blue, blue, blue planetary Earth.

Worldwide healing pyramid energy will morph our planet into an almost immediate plush, lush final Golden Age of genuine love, light, peace, joy and abundance. Our final gorgeous Golden Age on Earth was divinely foreseen and divinely ordained at the birth of Earth by the ONENESS of All. Thus through eon after eon of seeming endless time while divinely protected was surely DESTINED to become an absolutely truly radiant, Ascended Golden Glittering Heaven on Earth planetary star in this Milky Way Galaxy as soon it radiantly will be.

Good (God) knowledge IS POWER, but only when good (God) knowledge is used.

A major vitally important healing pyramid energy disclosure material in this booklet is David Wilcock's carefully studied, duly recognized and then clearly expressed own unique way of explaining known leading edge “form” science, naturally blended in perfectly with David's equal

deep and passionate spiritual understanding of “life” science of latest quantum mechanics updates. This is tied into his penetrating research into our life SOURCE FIELD, and specifically here to widely disclose the immense advances Russian scientists have made in testing and proving that FREE, continuous flowing healing pyramid energy may certainly be our collectively awakened swift human pathway to a rich Golden Age for all on Earth.

In that vein I want to give due grateful credit to the immense duly researched, carefully proven and well-documented, awesome, stunning healing PYRAMID POWER energy discoveries made by these many key, divinely inspired wayshowers “leading edge” Russian scientists, and all others of their peers in our USA, Canada, and other nations worldwide. Credit and gratitude to Dr. Alexander Godol and his son Anatoli Golod, in partnership with Dr. John DeSalvo's Giza Pyramid Research Association. and all the following astute scientists worldwide involved; Dr. V. Krasnoholovets, Dr. V. Byckovx, Edward Gorouvein, researcher Maxim Yakovenko, and countless dedicated pyramid power healing energy researchers and developers worldwide, unknown to me by name at this date.

Bless your giving, sharing warm hearts!

### **“We Are One” Poem by Kathy Coles**

A timely, so very appropriate poem from an active, gifted Lightworker and one of my daily subscribers, Kathy Coles, in Australia.

I am so delighted to share this lovely “disclosure” poem with you. Published on March 13, 2013.

Please enjoy and share this poem widely here, as recited by dear Kathy Coles herself from a rolling printed text—as she recites the poem—against an exquisitely beautiful bed of tulips background:

### *We Are One*

I look at the world and the state we're in  
And I feel a sense of unease within  
Where did we go wrong I sit and wonder  
How did we this beautiful planet plunder  
So much skillfully crafted by a loving God's hand  
Yet destruction and warring created by Man  
The problem I find, and you may agree  
Is that I see you as different from me  
So many illusions borne of hardened dark hearts  
With the intention to keep us all far apart  
From race, religion and education

To status and wealth and political persuasion  
The have's and have not's, the colour of skin  
All cleverly designed to segregate once again  
For the game we call life, they have set all the rules  
Where the house always wins and the rest of us lose  
The plan has worked well for the top of the heap  
The rich, the royal and the corporate elite  
Who play with far different rules to the man on the street  
Few will believe the depth of the deeds  
That feed their power and insatiable greed  
From poisoning our land, skies, food and water  
To sending our children off to be slaughtered  
Who wins from the wars? Did you think to ask?  
Just follow the money it's not such a task  
The same people control the finance and banks  
They take all your taxes without even a thanks  
All of the drugs, legal or not  
Are just a small part of their lucrative crop  
Media, governments and education  
Now do you wonder what's in vaccination?  
"Keep the people dumbed down and they won't even see  
The dastardly deeds we've been doing with glee  
Feed them plenty of rubbish to watch on TV  
It's easy when you own the media you see  
Xbox and playstation to train them to fight  
Then let them loose on each other to see who is right  
Feed them coke and Maccas and KFC  
Get them dependant on drugs and security  
Give them iPods and facebook to fill their time  
Big Brother and magazines to educate their minds

Sex, gossip and sports to keep them amused  
Gambling and soapies and don't forget booze  
It's a win win for sure, how can we lose  
They'll be so busy working and accumulating stuff  
Keeping up with the Jones's, just can't get enough  
We'll create some events to keep them in fear  
Then erode all their freedoms year after year  
But all in the name of protection my dear  
Keep them drugged and sedated and with any luck  
We can keep control and all make a buck  
With their blind obedience we'll make their lives suck  
But God only help us if they ever wake up  
So who are these people who seem hell sent?  
They are the mighty and powerful one percent  
Have you had enough yet, are you ready to fight  
Not dirty like them, in the dark of the night  
But using God's tools of love and light  
What if we just stopped playing their game  
Their power would be gone, they'd be totally lame  
Like monopoly, life can't be played by just one  
We can turn our backs on their smoking gun  
On this planet we're taught to look with our eyes  
To judge and condemn and criticize  
But if I look at you through your eyes to your soul  
And use my heart instead to measure our roles  
I see that in reality we have the same goals  
I care not what colour your skin  
I don't mind what religion you're in  
Whether you're rich or known by your fame  
I don't care what letters come after your name

Because, to me, you and I are both the same  
I'm no better than you for the car I drive  
And we all have an equal right to survive  
We bleed, we cry  
We laugh and we try  
We may look a bit different I can't deny  
But we are all the same on the inside  
We all want a world where we live in peace  
Food and shelter for all at the very least  
Where our children are safe to play in the streets  
Clean water and air and food on the table  
A lifestyle that's free and a home that is stable  
Where all contribute whatever they are able  
To never have our sons go off to war  
To settle someone else's illusory score  
And to have someone who loves us walk through the door  
It's time to look after our planet Earth  
Instead of exploiting her for all she's worth  
She's the one that supports us from birth to death  
And lovingly provides our very breath  
We are all a part of the human family  
We can learn from each other and celebrate diversity  
Let's get together and plan a future in unity  
Let's break down the barriers that keep us apart  
And go back to the dictates decreed by our hearts  
There's a light inside each that shines like the sun  
And keeps us ever and always connected as ONE  
As children of God we all have that spark  
That is there to guide us through life and out of the dark  
If we all start to listen to that small voice within

We can claim back our sovereignty and change  
EVERYTHING

It's time to wake up now. It's not too late

We now have a chance to change our fate

We can create a bright future for the human race

And restore love and respect to this wonderful place

We have safety in numbers, we're the 99 percent

If we love all as ourselves, as was the intent

Then the good will prevail and the darkness be spent

When God said "You are the ones you've been waiting  
for"

I think that's what he meant.....For sure.
